

# FAMILY CONNECTION

Use the following thoughts and questions to have a spiritual conversation as a family. Don't emphasize having the right answer, but focus on spending time discussing the Word as a family.

**SCRIPTURE** | Deuteronomy 32:7-12,44-53

## SESSION SUMMARY

---

In this week's session, Moses encourages God's people to look back and remember what God has done for them. To do this, Moses not only wrote down the law but also wrote a song. We'll see that believing God's Word and obeying Him leads to life.

- Looking back helps us recall God's goodness.
- Looking back helps us walk in truth.

## CONVERSATION QUESTIONS

---

- What are some common excuses our family is tempted to give to avoid doing what we know God has called us to do?
- Why is it so important to remember God's goodness when we face our enemies or face the temptation to follow other gods?
- When have we grown distant from God? How can we better protect ourselves from this in the future?

## FAMILY CHALLENGE

---

People have different ways of remembering God's goodness to them: Some keep a gratitude journal; some write remembrances on pieces of paper and put them in a jar; some may write these things on actual stones and stack them or place them throughout a garden; and some might write a song or poem or paint a picture. Choose a method of remembrance (or create your own) that you can participate in together and do it this week.
