

Prayer for Justice

Heavenly Father,

You know that we are a people that want more...more power, more possessions, more comfort, more control. We confess the times we have looked at others only to see how they could benefit us, enrich us, get us...more. We confess that while we may not have been the cause of another's suffering, at times we have turned away.

Help us, Lord, to bend a knee to You and Your ways. Where there is injustice, may we have the courage to speak. Where there is hurt, may we be an instrument of healing.

Where there is need, may we be a resource.
Where we see a damaged or discarded person,
may we see the eternal soul made in Your image.

Teach us to see others as You see them, to value
only what You value, and to trust You for all of
our needs. Thank You for the promise that You
gather Your people, go before them, and will
restore all things.

In Jesus' name,
Amen
