

Prayer of Restoration

Father,

Thank you for being a God who brings beauty from ashes, who draws us out of despair with compassion, who rescues us from darkness' reign into your marvelous Kingdom of Light. You not only save us, You restore us. What a remarkable God! I lift up my eyes to You, giving praise for being my ever-present Help, my Rock, and my Redeemer.

Lord, looking around me, I see such brokenness - in my life, in loved ones' lives, in this world. By Your mercy, would You give me eyes of hope to look beyond what is, and catch a glimpse of what will be.

You've promised to someday make all things new, to right what is wrong, and to restore more than what has been lost. Give me renewed faith in this "now and not yet" season to look forward to when all Your promises become our glorious reality.

In anticipation of that certainty, enable me by Your Spirit to learn Your ways of love so that I can walk trustingly. Use me, Oh God, to bear the name of Jesus well to those around me, inviting them through Jesus to receive life in Your Kingdom with You, the Restorer.

Amen
