Good Tidings of Great Joy: Women's Christmas Event 2026

Dinner Menu

The evening will begin in the spirit of a festive old-world feast. Before taking their seats, guests may mingle over warm spiced cider and buffet-style boards laden with cured meats, fine cheeses, crudités, assorted gluten-free crackers and bread, and savory accompaniments. Guests will then gather at their tables for dinner featuring:

- Tender sliced pork loin, marinated with the rich, bright flavor of Door County cherries
- Sautéed green beans
- White and wild rice pilaf with seasonal butternut squash
- A selection of hot beverages

The dinner will be dairy free and gluten *friendly*.*

Dessert Menu

For a warm, old-world Christmas finale, fruit crisp will be served, with crème anglaise sauce offered for each guest to pour as desired.

A gluten-*friendly** dessert may be requested by emailing Sarah Hayden by Nov. 29. Guests requiring a dairy-free option may enjoy the fruit crisp without crème anglaise.

Dietary Needs

The dinner will be dairy-free and gluten *friendly,** and a vegan meal is available by advance request. To help us consider individual dietary needs and allergies, please provide this information to Sarah Hayden by Nov. 22nd.
