A Note From Luke

Hello! My name is Luke Nolf, and I am the Youth Minister here at All Saints'. I'm thrilled to kick off the school year! All Saints' is deeply committed to our youth program, creating an environment where young people can lead, learn, and grow. We also offer a space for youth to just be themselves and connect with one another. Our youth participate in enjoyable activities that promote a sense of play and help build community.

Be in the moment

This year, All Saints' is taking the initiative to not have phones during youth activities. No cell phones for SNL, Y'all Saints', and Choir. We want our kids and adults to take a break from screens and engage with one another in community.

Parishioner Volunteer Opportunities

We invite parishioner to join us in volunteering with our youth group! Your involvement can make a significant difference in the lives of our youth. By sharing your time and talents, you help create a supportive and engaging environment for them. We ask you to be a part of our village, it's a wonderful opportunity to connect with other parents and build lasting friendships. Together, we can inspire and empower the youth of All Saints'
