God Provided for the People

Based on Exodus 15:22–16:36

After God used Moses to help the people cross the Red Sea on dry land, they traveled for three days without finding water they could drink. The people complained to Moses. God showed Moses where and how to get water for the people to drink.

The Israelite people kept moving from one place to another for many days. They complained again. They did not like being in the wilderness and not having enough food.

God heard them. He told Moses to tell them that He would provide what they needed.

That night God provided quail (meat) for them. The people ate. The next morning, the people saw something on the ground but did not know what it was. Moses told them it was the bread God promised. The bread was white and tasted like it had honey in it. Moses told the people to gather a certain amount of bread for each day. The people named the bread *manna*.

Many people obeyed God and gathered the manna the way God told them to. Some did not. The people learned to follow God's instructions. The people ate manna for many years.

VERSE

For the LORD is good. His unfailing love continues forever ... Psalm 100:5

God showed His love and care for the Israelites by providing food for them. The bread they received every morning was not in loaves but flakes that covered the ground like frost. They called the bread *manna*, which literally means "What is it?"

God Provided for the People

Exodus 15:22–16:36

The Israelite people had been away from Egypt for only a few weeks. It was the fifteenth day of their second month. (Exodus 16:1) Instead of remembering how God had cared for them, they complained about how hungry they were! "In Egypt we had all the bread and meat we wanted," they told Moses. "Instead, you brought us out here in the wilderness where we will die of hunger!"

God told Moses, "I will rain down bread from heaven. The people will gather bread every day, but they must follow My instructions."

Moses and Aaron told the people, "God has heard your complaining. He will give you meat to eat this evening and all the bread you want in the morning. Then you will know that He is your God!"

Sure enough, that evening, quail came and covered the camp. In the morning, a heavy coat of dew covered the camp. When the dew was gone, fine flakes covered the ground, like frost. The Israelites asked each other, "What is it?"

Moses answered, "This is the bread God has given you to eat. You may gather two quarts for every person in your tent." Everyone had enough to eat. Moses warned, "Don't leave any until morning." When people stored more than they needed, the bread spoiled with worms and smelled bad. On the sixth day, the people gathered twice as much to have enough for the Sabbath day. Their Sabbath day supply stayed fresh so that the people could rest on the seventh day.

The people named the bread flakes manna. It tasted like wafers with honey. God provided manna to the people for 40 years until they came to live in their own land.
