Ice Breaker: Do you have any New Year's resolutions?
Have you broken them yet?

1. Pastor Tom explained that the Holy Spirit is a person. How have you experienced or not experienced the personal nature of the Holy Spirit?
2. How have you been thinking about and relating to the Holy Spirit? Do you find it different than how you relate to God the Father or God the Son? How so?
3. There are 6 actions outlined in your notes that the Holy Spirit accomplishes in our lives and in the world. Which of these have you seen evidence of in your own life? Was there one that surprised you?
4. Pastor Tom also outlined that the Holy Spirit can be lied to, insulted, blasphemed, and grieved. Read the passages in your notes for each of these actions and discuss.
5. "We need to understand that the Holy Spirit is neither some kind of heavenly computer or heavenly power charging source." Read John 14:26; 16:5-7, 12-15 and discuss both this quote and how it relates to these passages.
6. In the second point of the message notes there is another list of attributes and actions of the Holy Spirit. Which of those most connects to your current reality?
7. Pastor Tom explained that the main work of the Holy spirit is to always point us to Jesus. How has He been helping you focus on Jesus lately? How might you need His help to focus on Christ as you move into 2020?

The Triple Point of Water

Because of the Holy Spirit our life can be different:

- It's so important for us to have the right understanding of who the Holy Spirit really is so we can properly relate to Him, have Him work in and through us, and begin to experience a genuinely different/better life.
- So how have you been thinking about and relating to the Holy Spirit?
- The main work of the Holy Spirit is to always point us to Jesus (note John 15:26; 16:14).
