

DISCUSSION GUIDE

Ice Breaker: If you could be on any Minnesota lake right now, which one would you be on and what would you be doing?

- Pastor Nate stated that “our attitude toward our next step significantly impacts the way we approach, take and evaluate that step.” Describe a time when your attitude impacted a next step you took. How was it impacted? What might the flipside have been had your attitude been different?
- What role does fear play in your decision-making? Pastor Nate listed four ways fear tells us our next step is going to be challenging. Review the four ways listed in your Message Notes. Describe a time when your next step seemed either too big/small or different/similar. What was the outcome?
- Read Acts 18:1-6. How does Paul react to the Corinthian’s disbelief? Continuing the story, read Acts 18:7-11. What role does faith play in Paul’s next step? What was the result?
- How is it challenging to live by faith when our fears threaten to keep us from taking next steps? Have you experienced a time when you had to “shake the dust off your feet” in a situation? How did this impact you taking your next step?
- Pastor Nate showed us that through faith we are reminded that; God is greater than us and our circumstances, He is with us, is gracious in how He cares for us, and is in control of the outcome. Read 1 Corinthians 15:1-11. How should Paul’s understanding of who he is in Christ help you be confident as you consider your next step?
- What’s your next step? How may your group hold you accountable this summer?
