DISCUSSION GUIDE

- Icebreaker -

If you were invited to do a TED Talk on any subject (and you are magically fearless about it), what topic would you choose?

1. Read **1 Timothy 6:10**. What does “the love of money” mean to you, and how does it manifest itself in our culture and in your own life?
2. **James 5:2-3** and **Luke 12:16-21** point out both the pointlessness and sinfulness of stockpiling wealth. How does this relate to your bank account or the contents of your garages & closets and what changes might it challenge you to make?
3. Pastor Tom said, “Just because I can afford something doesn’t require me to purchase it.” When was the last time you really wanted something, had the money to buy it, but chose not to? What caused you to make that choice?
4. Pastor Tom stated, “Jesus followers need to recognize the influence money has and use it for good.” What influence has your wealth given you and how have you used it for the benefit of others?
5. **Matthew 6:21** encourages us to take stock of how we value our money and our things because it reflects the true priorities of our life. What might such a look reveal about yourself, and what changes might God call you to make?

"If Money Actually Talked" (Part 1)
Pastor Tom Lundeen | Apr 27, 2025

What most people don't realize is that some of the best financial principles aren't found on social media or Wall Street, but in the Scriptures.

Note **1 Timothy 6:10**

So this new series is about us taking stock of how we handle money and how God's truth can help us experience greater financial health.

1. Amassing of Wealth

Note - according to world standards, all of us here are wealthy.

Note **James 5:3**

The warning here is about hoarding money just for the sake of stockpiling it.

God wants His money (because God owns it all) in circulation. In New Testament times, wealthy was hoarded by stockpiling food, collecting clothes, and stashing away precious metals/jewels (note **James 5:2-3**).

Whatever you accumulate deteriorates.

Note **Luke 12:16-21**

2. Allocation of Wealth

God isn't only concerned with what we have, but also how we got it (note **Exodus 20:15** and **James 5:4**).

3. How I Spend Wealth (note **James 5:5**)

A great temptation is as we make more money it is easier to waste it. Just because I can afford something doesn't require me to purchase it. If advertising and marketing didn't work, businesses wouldn't have spend \$1.87 trillion on them in 2024.

4. How I Use the Influence of Wealth

Money provides authority and influence.

Note **Luke 16:8**

Jesus followers need to recognize the influence money has and use it for good (note **James 5:6**).

Let's take stock:

- Hoarded wealth is going to decay and devalue.
- Dishonest, wasted, and abused wealth will be judged in eternity.
- Why does it matter if we take stock about our finances or not?
- Because Jesus knows and told us that our attitude about money reveals our true spiritual heart condition (note **Matthew 6:21**).
