DISCUSSION GUIDE

- Icebreaker -

Should men be made to have babies?

1. John posed the question, "What does it look like for us to see our community through the eyes of Jesus and to respond?" How do you think Jesus would see and describe your community? If you don't know, how can you find out?

2. Read **Matthew 9:35-38**. What are your observations of Jesus, the crowds and the disciples? Who do you identify with: 1) Jesus, the person on mission; 2) the crowds who were the purpose of the mission; or 3) the disciples, being charged with a role to play in the mission? Why?

3. A cursory search for the definition of compassion reveals that true compassion is more than empathy, pity, or sympathy in that it seeks to act and change the circumstances of the person in need of such compassion. John said, "True compassion causes you to see, feel and do something! If you have true compassion, it will drive you to Pray, Give, and Go." In which one of the three can you take your next action step?

4. John said, "We do not have to convince anyone to follow Jesus, all we have to do is share Jesus..." How do the people around you know Jesus by what you do and say?

5. Grab a pen. John said, "The devil cannot stop praying people! BUT if he can occupy your time so you do not have time to pray, then he wins." In groups of 2 or 3, spend some time creating a list of ways you can pray for your neighbors and for John, Betty, and the Dogose people. Spend time doing so in your groups or as a large group.
