DISCUSSION GUIDE

- Icebreaker -

What is something you have witnessed in your life that you just cannot forget?

1. What is something in your life that you once obsessed over but, over time, has lost its significance? What about it initially captivated you and why do you think you've lost that passion?
2. In what ways has a counterfeit Jesus been presented to you in the past? How did/does scripture help you to recognize the counterfeit and replace it with the real Jesus?
3. Pastor Kyle said, "The reason it's only the Lamb who is worthy to enact God's plan is because it's only the Lamb who was worthy to die for God's people." What can you recall from scripture that points to Jesus' worthiness? (If you don't know where to begin, you can start in **Isaiah 53**.)
4. Read the following descriptions of Jesus found in: **Isaiah 53**, **John 1:29**, **1 Corinthians 5:7**, **1 John 1:7**, and **Ephesians 1:7**. How do these scriptures ignite a sense of awe in you about Jesus? If they don't ignite a sense of awe, why do you think that is?
5. How do we remain vigilantly guarded against the counterfeit Jesus that promises to "serve our preferences, promote our agendas, affirm our ideologies, or exist as a spiritual Santa Claus" and, instead, remain in awe of the true Jesus who "is enthroned above all creation, the object of cosmic worship, worthy because He's the Lamb of God slain in our place and resurrected in glory"?
6. ***Challenge:*** With your remaining time or throughout the week, think of a worship song that inspires in you a deep sense of awe of Jesus. Find a link to it and share it with your group however you communicate as a group. For inspiration, scan the QR code to see which songs inspire awe amongst the Riverside staff!
