Ben & Sarah Carey: *Site Leaders*

Ben & Sarah Carey have been in Germany since 2007 and have lived in Waren since 2012. Ben has helped with English Camps as a staff member since 2008 and has led them since 2013. Sarah likes to help in the kitchen when she's with us, and everyone is happy about the delicious food! Their kids are Travis, Hannah, Emma and Leah.

Sean & Suzy McLain moved to Waren from New Jersey in early 2022. They began learning German and engaging in the everyday culture of their surroundings and serving their neighbors through the church plant. They have two children – Ian and Maisie.

Kenny & Karissa Young have only been in Waren since 2019, but they have had connections with Alliance Ministries in Germany since 2009. They work with the Carey Family in community work and youth groups. They are really looking forward to camp and the teens! They are pictured here with their kiddos – Oliver, Elsie & Madeline.

The Work in Waren: *Church Planting*

Deeply rooted atheism due to Soviet influence, as well as a skewed view of religion and the Church, has resulted in many people in this region having no idea who Jesus truly is. The team desires to see people encounter the real Jesus and to develop communities of faith through non-traditional church planting in northeastern Germany. They want their ministry to have a powerful spiritual impact for Christ here and now as well as on the next generation.

Waren is a small city in the heart of northeast Germany, statistically one of the most atheistic regions of the world. Strategically accessible to surrounding towns, villages, and cities, Waren is a starting point for furthering gospel access to those living in the former East Germany.

English Camp 2024

“So, I’m interested in being staff at English Camp...”

Warmest Greetings from NE Germany! Thanks for your interest in finding out more about our summer English Camps. We hope you will find this info letter helpful, that it will answer questions that you might have, and help give you an idea of what to expect if you choose to come and serve with us. We are encouraged by your interest, and trust that the Lord will guide you clearly to what He has for you...

“What is the point of English Camp?”

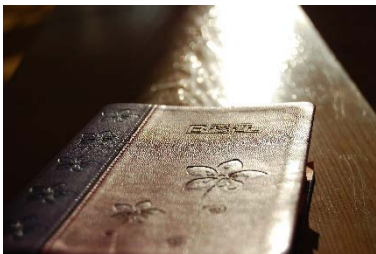

To be concise, English Camp is all about two things: we want to help German teenagers improve in their English abilities, and we want to help them move closer to Jesus in their walk with (or without) Him. These are the two goals that we have: making a practical impact and, more importantly, making a spiritual impact.

English Camp is for German teens, ages 12 to 17, located primarily in northern and eastern Germany. Many of these teenagers live in areas where they do not have consistent, regular, healthy interactions that help them in their spiritual walks. Teens come from various spiritual backgrounds (from Jesus-followers to atheists), but at Camp, they are confronted with the Biblical truth of Christ. We want the teens to grasp that Jesus is real, can give us real life, and wants to interact with us daily. And we have tons of fun too! We usually have anywhere from 20 to 28 teens at each Camp.

“What do you do at Camp?”

Our Camp schedule includes actual English classes (teens are placed into appropriate “classes”), games, sports and activities (teens are placed into “teams” for competitions), meals and snacks together, a trip to a local lake to go swimming for the afternoon, a movie or game night, and more! Most importantly, the Camp gives the teens the opportunity for positive, impactful input and interactions with our staff. This is sparked by the evening sessions, which include a time of worship through song and a dynamic Bible teaching/message, capped off with time in their small groups with their counselors. What a great chance for them to hear what God is trying to say to them!

“What staff roles/needs do you have at Camp?”

At each Camp, we need the following staff: English teachers (3), a head cook, assistant cooks (1-2), a Bible teacher/speaker, a music/worship leader, an activities coordinator, and counselors (2-3, but most staff will also help as “counselors” and in small groups). We do have role descriptions for all of these, so please see the separate documents for more details.

We don't require our teachers to have a teaching background, or our Bible teacher to be an ordained minister – the only personal “requirements” needed are an evident, growing walk/relationship with Christ, and a commitment to coming and serving Christ through serving the teens...

“When is English Camp?”

We have them in the summer, during the German summer vacation time.

Over time, the Lord has grown this ministry from one Camp to two Camps, due to the interest and returning teens – fantastic! This coming summer, however, we are only planning one week of Camp: August 4th to 9th. We ask our staff to arrive at least 3 days before Camp (for orientation, preparations and getting over jetlag), and their departure can be 2-3 days after Camp ends (relaxing & sightseeing).

“What should I be aware of while considering coming or not?”

Flexibility is one of the most important values that we need to strive for during the week of Camp. If our staff is not flexible to change as situations arise, is not okay with serving in new or different ways, or cannot adapt to foreign environments and unexpected detours, English Camp will not live out its full potential and make the greatest impact that it could have! Flexibility gives us all a chance to work together in a more successful way...

Teamwork is essential, as we will be working together to serve the teens – we are not at Camp for any selfish reasons, but we want to help out where needed, as a team. First and foremost, English Camp is for the glory of God, and for the spiritual encouragement of the teenagers...

Endurance is also important: our days are long and full, starting with staff devotions in the mornings (7:30am) and ending with short staff meetings ending at “Lights Out” (11pm) in the evenings. It can be a long week, very interpersonal, and with limited downtime. Please be aware of this! You need to be physically capable to serve for the full week, interacting with energetic teenagers – this includes, when possible, engaging in the games/sports and activities...

Fun is a must have – positive, engaging, interacting with the teens; living out the joy the Lord infuses in us!

“What does it look like financially?”

The trip costs vary depending on what kind of flights you/your team is able to find. On-the-ground costs are approximately \$690 USD, give or take depending on how many days total you are here in Germany with us. This amount is based on a 12 day visit, and covers all costs necessary for your time here: housing, transportation, food (meals), materials, etc. Souvenirs and bonus cups of coffee would be at your own expense. These on-the-ground costs can be wired to our field prior to your arrival, or given in cash upon your arrival – either brought with you or pulled from a local ATM. Add on an estimated cost of round trip airfare, and it will probably land in the \$1500 to \$2000 USD range – again, depending on what flights you can find. You can also check with your home church about fundraising or seeking financial support.

“Are there any other requirements for staff?”

Camp staff must be 20 years old or older. We do require that all staff have a basic background check done and made available to our Alliance team – for security and accountability purposes.

“This sounds pretty interesting, but I’m not sure just yet...”

Let us know what your questions are, and how we can help clarify anything for you! Our email address is bensarah03@gmail.com – feel free to contact us, and we can even videochat at some point if desired. We want to make sure that you have sufficient info to help you make wise decisions, and we'll pray with/for you as well, for the Lord's wisdom and guidance...

“I’m sold! Where and when can I sign up?!?”

That’s awesome! It would be great if you could get in touch with us as soon as possible and let us know, and we can work out a time to chat about this as well – let’s see how we can get this process moving! Our email address is bensarah03@gmail.com – great! We would also encourage you to think about a couple of people you might ask to join you in this opportunity, to also come as staff and enjoy Camp here in NE Germany – you never know exactly how the Lord will be speaking to others and stirring in their hearts!

“Cool – thanks for all the helpful info! You guys seem great!”

Oh, you're welcome, and that's kind of you to say that. And thanks again for connecting with us on this – blessings, and all for His Kingdom!

ENGLISH CAMP

KARCHOW. NORTHEAST GERMANY – JULY 5-11, 2020

Dear English Camp Staff...

We are very excited that you are coming to Camp this summer! Plans are moving ahead and, sooner than you can imagine, you will be here on German soil! Here is some information to help you with your preparation. First, I'd like to give you some general information about our English Camps.

C&MA Germany team & English Camp

The Christian & Missionary Alliance has had international workers serving in Berlin here since the mid-90s, with a focus on ministering to those who lived growing up in East Germany, where 90% of people claim atheism. Our team had the desire to branch out of Berlin and begin an initiative in northeast Germany, and after teaming up with Janz Team Ministries (a German ministry that includes camps), began holding annual English Camps. We have now been offering these Camps for almost twenty years, no longer with Janz Team but in cooperation with Crossover Camps (another German Christian ministry), and we have seen the impact they can have on the lives of individuals! Our team is now located in Waren, right in the middle of the northeastern corner of the country.

We're excited that you will be here for our English Camp! At Camp, you will be interacting with German teens (12-17 years old) and impacting them for Christ! For over a decade, we experienced a dramatic growth in the interest teens had to attend our camps. Prior to COVID, we had two Camps with waitlists, but are now trying to regain a post-COVID momentum for the Camps. Over and over we hear the campers expressing their need for more Christian friends and fellowship. They are so thankful for the lasting relationships that start at Camp – both with fellow Germans and with Americans. It is so great that you will be here to be a part of it!

About Camp

English Camp will be held in Mecklenburg-Vorpommern, in the little village of Karchow. It is a project of our C&MA Germany team, and we have a loose cooperation with Crossover Camps (German ministry). This year our staff will be made up of a team from Westgate Chapel (Toledo, OH), local German friends, and our team on the ground here in Waren!

Testimonies

Each evening before the Bible Teacher/Speaker does his/her talk, we may have someone from the staff share a brief testimony as to how they came to know & follow Christ, or what Christ means for them in their everyday life. We would ask you to each be prepared to share, so that if you are asked on short notice, it will not be a problem (plus, this will be good just to have ready in normal conversation with the teens as well!). Here are a few tips to remember...

- 1) Speak in clear, simple English – make your sentences short and simple.
- 2) Don't use idioms, jokes (playing with words) or complex analogies, as these are generally hard to translate and often lead to misunderstandings.
- 3) Don't use Christian lingo (i.e. born again, blessed, converted, convicted, etc.)
- 4) Speak slowly (but not TOO slowly), allowing the translator time to translate before losing your thought.
- 5) Do not read your testimony word for word – keep eye contact with the group.
- 6) Go over your testimony with your translator before presenting it to the campers – this will ensure that the translator is familiar with what you are trying to say and also that you are not attempting to say things that are not appropriate or understood in your host country.
- 7) Keep it short – remember that translating your testimony will double the time it takes to give it. Three (3) minutes plus translation is a decent standard to go with.

C&MA Waren NE Germany Team

Ben & Sarah Carey

Sean & Suzy McLain

Kenny & Karissa Young

*Ben & Sarah have been serving with the Alliance in NE Germany since 2007 – 4 years in Berlin, 11 years in Waren – and have been a part of this Camp ministry since 2008. They are also involved in follow-up and discipleship with the teens after Camps. Sean & Suzy have been serving in Waren since January 2022 and have settled well onto German soil, including jumping right into the Camp ministry in their first summer here. Kenny & Karissa arrived in January 2019, and have already engaged with the teens at Camp multiple times – they will be on home assignment in the U.S. for one year starting this summer. **We desire to help raise up the next generation of German youth to become passionate and obedient disciples of Jesus Christ and share His reality and love with those around them...***

IMPORTANT: Background Checks

It is required of all our staff team to have basic background checks completed. Due to an increased desire on the German side of things, we require everyone to get the most up-to-date background check, at least from within the last three years. Please scan and e-mail us a copy of your background check so we have that on file. Your church may be able to help you get this done.

Dear Friends & Family,

I am excited to tell you about an opportunity I have this summer with our church. Riverside Church recently began a 5-year partnership with the Christian & Missionary Alliance aXcess team in Waren, Germany. Trusting God, I have made a commitment to join a team from Riverside this August who will go on a short-term mission trip.

While there, we will work with the Waren Team of 6 to put on an English Camp. We will have the opportunity to encourage their team and the church members as we interact with them at the camp and at church.

I would love you to become personally involved with our team in this short-term mission trip in three ways: interest in the English Camp, prayer support and financial support.

Your prayers for the following needs would be a blessing to me:

- The spiritual difficulties of ministering in a city that is primarily atheist and has no idea who Jesus is
- Safety and health as we travel and serve
- God's provision financially for me to attend this trip

If you would be willing to partner with me in prayer/and or financial support, please let me know by August 5th by using the enclosed return envelope to give whatever financial gift or gift of prayer God is leading you to give. If you would prefer to give digitally, please use this QR code at the bottom of this page to donate to the team or **MYRC.LINK/GER-AUG-24**. *(Verify short URL and QR Codes; missions admin will make these available & will also be on the tax-deductible form)*

Thank you so much for your consideration. I am thankful to have this opportunity and hope you will join me in seeing how God uses this team this summer!

Dear Friends & Family,

I am excited to tell you about an opportunity I have this winter with our church. Riverside Church partners with the Envision Guinea Team of our denomination, The Christian and Missionary Alliance. Trusting God, I have made a commitment to join a team from Riverside this March who will be going on a short-term mission trip.

While there, we will work with the Envision team to put on a two-day eye clinic, visit and love on kids at an orphanage, help with a Christian & Missionary Alliance English Center and connect with the local people in where we will be staying. We will have the opportunity to encourage their team and attend church as we interact with the team.

I would love you to become personally involved with our team in this short-term mission trip in three ways: interest in the projects we will be doing, prayer support and financial support.

Your prayers for the following needs would be a blessing to me:

- The spiritual difficulties of ministering in a culture that is primarily Muslim
- Safety and health as we travel and serve; the travel to Guinea is long – over 24 hours each way
- God's provision financially for me to attend this trip

If you would be willing to partner with me in prayer/and or financial support, please let me know by February 5th by using the enclosed return envelope to give whatever financial gift or gift of prayer God is leading you to give. If you would prefer to give digitally, please use this QR code at the bottom of this page to donate to the team or **MYRC.LINK/GN-MAR-24**. *(Verify short URL and QR Codes; missions admin will make these available & will also be on the tax-deductible form)*

Thank you so much for your consideration. I am thankful to have this opportunity and hope you will join me in seeing how God uses the team this March!

Dear Friends & Family,

I am excited to tell you about an opportunity I have this summer with our church! Riverside Church is in a strategic partnership with Bob and Cheryl Fugate and the team they lead in Guadalajara, Mexico. I have felt led to be a small part of this mission! Trusting God, I have made a commitment to join a work team from Riverside this June that will go on a short-term mission trip. We will have the opportunity to encourage their team and the church members in Guadalajara as we interact with them on various projects.

I can't express how grateful I am to have such amazing friends and family that support my passion for following the Lord- wherever He leads me! Many of you helped fund my trip to the LIFE Conference last year, and I have you (and the Lord!) to thank for being able to learn there that I was called to missions. I would love for you to partner with me in prayer and/or financial support to continue exploring what God has in store for me!

Please pray for the following:

- For safety as we travel and work.
- That the Holy Spirit keeps our team moving forward and reaching lost people.
- That our team stays healthy physically and mentally before, during, and after our trip.
- For God's provision financially for me to attend this trip!

If you would be willing to partner with me in financial support, please let me know by June 5th by using the enclosed return envelope to give whatever financial gift or gift of prayer God is leading you to give. If you would prefer to give digitally, please use the QR code at the bottom of this page or this link: MYRC.LINK/MX-JUN-23 to donate to the team. I have included a tax-deductible form to include with your gift.

Thank you so much for your consideration. Feel free to contact me with any questions you may have, I'd love to talk with you! I am thankful to have this opportunity and hope you might join me in seeing how God uses the team this summer!
