

A 5-Week Walk Through the Apostle Peter's Life and Ministry

The first three weeks of this reading plan include accounts of Peter's life and ministry taken from the gospels written by his fellow disciples, Matthew, Mark, Luke, and John, and from the Book of Acts, written by Luke. The final two weeks are the letters Peter himself wrote to the early believers.

Make time any five days of each week to read the passages shown and note what stands out to you. Does something inspire you? Challenge you? Convict you? What questions does the scripture provoke in you? Listen for what God may be speaking to you through his Word.

If you fall behind in your reading, just pick up where you left off anytime. Spending time in scripture is more important than keeping a schedule.
