

Six Weeks Through the BOOK OF ACTS

During our sermon series, *Therefore*, we're exploring some of the practices that have been part of Christianity since its beginning in the first century and asking an important question: *why?* Why do we gather and worship and pray and serve one another?

To help answer that question, we're encouraging you to read through *The Acts of The Apostles*, simply known as Acts. It's a

biblical account of the first three decades of the church written by Luke. Acts provides context for many of the practices we still engage in today—thousands of years later.

Make time any five days of each week to read the chapter indicated. If you get behind, don't worry! Just pick up where you left off anytime. Reading through the book is more important than keeping the schedule.
