WINTER 2024

Discover
the power
of your yes

MARCH 1-3 AT THE FIRS CHALET

High School Retreat

PAGE 9

CHRIST THE KING
COMMUNITY CHURCH

Say yes to something new this winter!

YES. Those three little letters pack a lot of potential.

A well-timed yes opens doors to opportunities, propelling us forward into new experiences and growth. A thoughtfully chosen yes is a declaration of openness, a willingness to take risks. Yes can mark the beginning of something life changing—not just for ourselves, but for the world around us.

So this winter, let's listen for God's voice and leave behind our "maybe," "I'll think about it," and "we'll see." There's so much he has in store for us if we'll just say **yes**.

We'd love to hear your story.

A Note from Grant Fishbook LEAD TEACHING PASTOR

Winter can be a challenge.

Christmas is over. The shine of the New Year fades as fast as one unkept resolution. The clouds and rain

seem endless. But, if we take a moment and realize that the whole earth is simply taking a breath before the new life of spring, then there is hope!

I believe that winter is an amazing time to do solid spiritual work. With that in mind, we are going to kick off January and February with a "spiritual reset". The God who is the same yesterday, today and tomorrow has a lot to say about our past, present and future. We all have a past (*but we don't need to get stuck there*). We all have this present moment (*which is precious if we'll grasp the sacredness of it*). And we all have a future (*that is secure if we trust God's plans over our plans*). I'm excited to walk with you as we open our hearts to all that God has for us in a 6-week series called "Past/Present/Future". To complement the series, I'm excited to make available to the CTK

family a 21-day devotional audio guide that I created for anyone who longs for a spiritual reset.

In the last couple weeks of February and early March, we'll kick off our global missions focus with a powerful series called "When One Person Says Yes". The Bible is full of individuals who were defined by a single yes to God. CTK is full of individuals who've made the same choice, and our world is different because of their yes!

Join me, because now, it's your turn to say yes to God. As part of our global missions emphasis, we're going to meet physical needs of people on the other side of the world. For your home to their home, from your table to their table, from your sole to their sole (*no, that's not a typo!*), from your heart to their heart, we are all going to make this winter count by helping transform the lives of people we may never meet—but who Jesus knows and loves deeply!

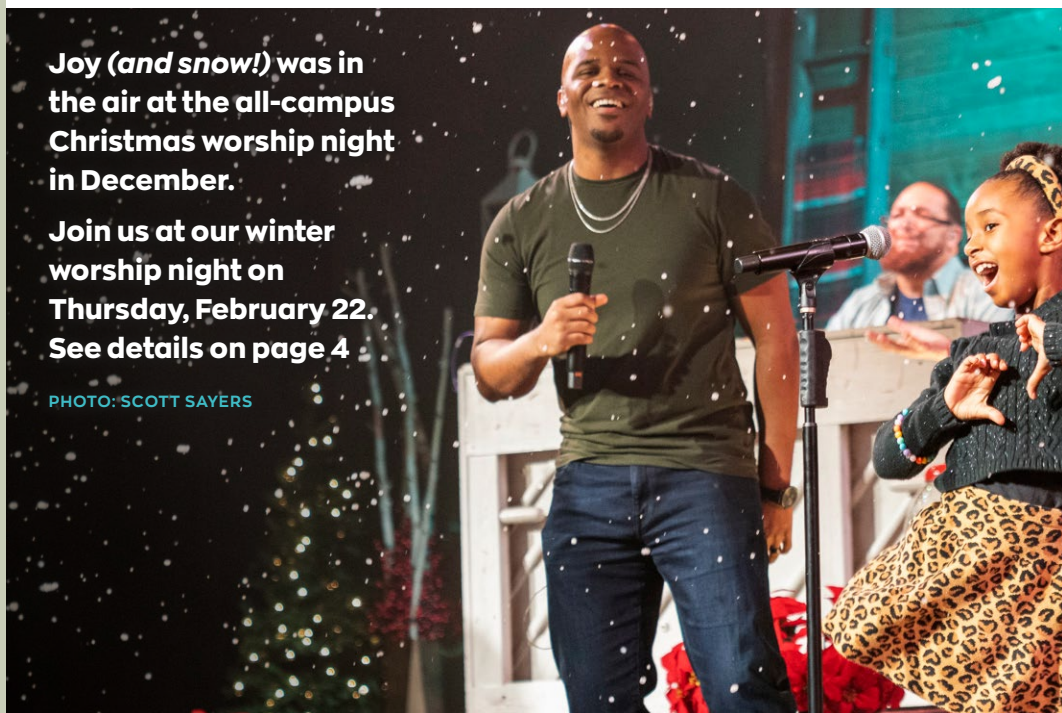

It's going to be a transforming winter at CTK. I can't wait to see how God uses this season to prepare us for the new life of spring and Easter!

PHOTO: SCOTT SAYERS

I am one of those people who, at certain milestones in my year, reflect on the past year and look forward to the year to come—to take stock of what’s

different (for better and for worse). The beginning of a new year is my favorite time to do this. And while each new day or year feels like a fresh beginning, it’s simply a continuation of the journey we are all on with God.

Thankfully, God is not limited by time as we are. He sees the past, present, and future as *one* while we see our lives as segments or chapters in the span of a lifetime. So, at no point in my lifetime is God surprised. If I am stuck in my past, full of doubt or confusion about my present circumstances, or fearful of the future, it’s not because God is hiding from me or isn’t paying attention. I literally cannot hide from him, and at no time is he hidden from me. But I may not be looking *for* him and *to* him in all things.

Because my entire life is known to God, I can turn to him in every circumstance for understanding and

insight, strength and courage, hope and direction. This is both great and challenging news! I am sharing with you an exercise that you can do on your own or with others—a few questions I bring before the Lord each January in the form of a prayer:

Lord, help me to see what you see. Give me courage to say yes to what you are asking me to change, with your help, and what you are calling me to next.

- Where am I stuck?
- What do I need to let go of?
- Where do I need to ask for help?
- Is there anything holding me back?
- Where am I ready for change?
- How am I using my gifts in your world?
- What’s one small next step I can take?

In this edition of *CTK Life*, you’ll find many opportunities to engage in this conversation on your own or in community. I hope you’ll spend time with God to specifically reflect on these questions. I am praying for you the same courage I ask for myself as you move into what’s next on your journey with God. Wishing you a courageous New Year!

Baptism Class for Kids

Sunday, February 4 after services
10:30–11:15 AM or 12:15–1:00 PM
in Room 210

Has your child expressed interest in being baptized? Our kids baptism class is the perfect next step.

We'll be baptizing in both services on Sunday, February 11, and we offer the kids' class the Sunday prior, right after either service.

A parent is asked to attend with their child. In most cases, we suggest 3rd–5th grade as a suitable age for kids to be baptized. The class will help you and your child determine their readiness to take this important step in their journey with Jesus.

No need to sign up—just show up!

CTK Kids Sunday Mornings

Every Sunday during the 9:30 & 11:15 AM services

Every Sunday, there's a place for kids—from newborn to 5th grade—to have fun, make friends, and learn how much Jesus loves them (and how to love him back)!

Questions? Contact Pastor Duane Weaver (duanew@ctk.church or ext. 2236)

Nursery

Infants and Toddlers up to 23 mo

Your newest family members are very precious to you—and to us too. That's why we're intentional about creating a clean, safe environment where they will be loved and cared for while you attend the service. This is their first experience in God's house, so we focus on the love and joy of Jesus for these youngsters

Adventureland

Preschool

Kids age 2–5 years old are ready to move, worship, and learn in much more active ways. Adventureland helps them discover the love of Jesus through games, musical worship, and Bible lessons that come to life. During this curious stage of their lives we want to encourage them to explore and discover a God who delights in them!

Base Camp

Kindergarten–5th Grade

Every adventurer needs a base to venture out from, and that's what Base Camp provides for K–5th graders. It's a place to grow and discover God's truths while learning to love others well. As kids develop their relationship with Jesus, they will grow in their identity in Christ and learn to look out for "God opportunities" and avoid pitfalls that can cause us to lose our way.

Invest in the future!

Time is a limited resource, and how you spend yours could change a child's life. As a part of the CTK Kids volunteer team, you help form the foundation for kids to grow in their love of Jesus, their identity as a child of God, and their purpose in the world.

Our volunteers always serve as part of a team, and all curriculum and supplies are provided. Prep time is minimal, and you can serve on a schedule and with an age group that works best for you.

Join our team and invest your time in ways that will impact eternity!

To let us know you're interested, visit kids.ctk.church or email Katie Litovchenko at bhkidsadmin@ctk.church.

Take a fresh look at an ancient practice

Explore the spiritual practice of fasting this winter

For more than a thousand years, fasting was one of the central practices of Christ-followers, alongside other familiar practices like prayer, Scripture reading, or church on Sunday. Fasting was one of Jesus' most essential and powerful practices—and one of the best ways we have to integrate our entire person, including our body, into our pursuit of God.

Whether you've tried fasting once or

twice, engage with it regularly, or have never thought about it before, you're invited to join pastors Julie Burleson, Josh Lease and Jake Hruza as they guide you toward a deeper relationship with this ancient practice.

HIGH SCHOOL DISCIPLESHIP

UNITED Next: *Fasting*

5 Mondays, February 26–March 25
5:30–7:30 PM in The Meeting Place • \$15

UNITED Next is an opportunity for high school students to take their next step in following Jesus together. During our winter session and in recognition of Lent, we will be focusing on the practice of fasting. Fasting, in large part, has disappeared from Christian spirituality. Many people have a deeply unhealthy relationship with food and their own body. Most people don't want anything to do with the practice of fasting. But what if we are missing out on one of the most important practices in Jesus' own life? Come join us as we share a meal and learn about this practice together and how it can deeply enrich our lives and our relationship with Jesus.

Watch for registration in February at ctk.church/bellingham/students

FAMILY VOLUNTEER OPPORTUNITY

Foster & Adoptive Parents Night Out

Friday, March 8
6:00–8:30 PM
in Base Camp

There's a saying that if you **tell** someone something, they may forget. If you **show** them, they may remember. But **involve** them, and they will understand. We want to provide parents an opportunity to involve their kids in the spiritual practice of serving others.

CTK is hosting an event to support and encourage foster and adoptive families in our community, and your family is invited to help make it happen!

With your help, we can say thank you for the important work these families do by offering the kids a night of fun while the grownups take a little time to recharge. Come help with crafts,

facilitate games, or serve dinner—there are lots of ways to help. This service opportunity is ideal for families with kids 2nd grade and older, but some behind-the-scenes opportunities may work for families with younger children.

To learn more about serving, contact Sydel McKim (sydelm@ctk.church or 360-733-1337).

If you're a foster or adoptive parent, please come enjoy the night!

Register your kids to attend (8th grade and younger) by Saturday, March 2 and give yourself a night off.

Faith & Finances

12 Mondays, January 15–April 1
6:00–7:30 PM in Room 210

God cares about all parts of our lives, including our finances, and he offers us plans and principles for our finances in the Bible.

The Faith & Finances group is a great option if you are struggling to make ends meet, stressed or hopeless about your family's financial future, or unsure how to navigate your current financial situation.

People come into this learning experience for many different reasons. Some are interested in the practical skills and others are curious about the spiritual component. Both are important, and so is building relationships and community within the class. That happens as participants encourage and pray for one another, share a unique perspective, or simply talk about hard things together. Our small group format creates that sense of safety to dive into what God has to say to us—individually and collectively.

The guilt and stigma surrounding sexual struggles can paralyze us and keep us from seeking help and healing. Many of us feel ashamed and undesirable after years of sexual brokenness and addiction we never wanted to define our lives.

Based on original research from more than 3,800 men and women, *Unwanted* is a groundbreaking resource that explores the "why"

Engage with the Spiritual Practice of Fasting

4 Mondays, March 4–25
6:00–7:30 PM in Room 215 • \$5.00

For more than a thousand years, fasting was one of the central practices of Christ-followers alongside other familiar practices like prayer, Scripture reading, or church on Sunday. Fasting was one of Jesus’ most essential and powerful practices—and one of the best ways we have to integrate our entire person, including our body, into our pursuit of God. Whether you’ve tried fasting once or twice, engage with it regularly, or have never thought about it before, you’re invited to join pastors Julie Burleson, Josh Lease and Jake Hruza as they guide you toward a deeper relationship with this ancient practice.

Register by Wed., February 28 at ctk.link/events. Questions? Contact Erin Drews (erind@ctk.church).

Table Groups Launch Party

Wednesday, January 17
6:00–8:00 PM in The Meeting Place

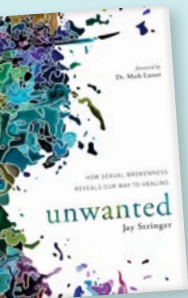

In 2022 we launched a new type of small group called Table Groups, and this January we’re launching more of them!

As we learn what it looks like to make space for other people in our lives, Table Groups are a way for people to pull up a chair and find their place. Table Groups are centered around a regular rhythm of sharing meals, praying, growing, and serving together. They bring together 10 to 15 people who live in the same part of the county who’ll love and support each other in practical ways as they also find ways to serve those around them.

We believe we are most formed like Jesus in community, and we’d love to give you a seat at the table.

To join one of our new Table Groups, register at groups.ctk.church and join us for the launch party on Wednesday, January 17, 6–8 pm.

The journey to emotional health begins by quitting. Quit being afraid of what others think. Quit lying. Quit denying your anger and sadness. Quit living someone else's life. We all have something we need to quit. When you quit for the right reasons, at the right time, and in the right way, you're on the path not only to emotional health but also to the true purpose of your life.

In this 8-session Bible study our hope is to provide you a way out of inauthentic, superficial spirituality and into genuine freedom in Christ.

Men's Biblical Deep Dive

IN PERSON

Tuesdays, 6:30–7:30 AM
in Downtown Bellingham

Wednesdays, 4:30–5:30 PM
at Barkley Woods

ONLINE

Wednesdays, 6:30–7:30 PM via Zoom

If you want a thriving life of faith with Jesus, the spiritual practice of Bible reading is key. But is your busy calendar getting in the way? We know the challenge too well, so we've created Men's Biblical Deep Dive to fit within your workweek.

We use an ancient Jewish practice called *midrash* to “seek with care” practical wisdom from scripture and apply it to our lives today. Each session has three parts: 1) reading 3 chapters of the Bible, 2) open discussion to discover meaning together, and 3) applying wisdom to crucial areas of work and home life. Sessions last one hour and start/end exactly on time to reliably fit into your busy schedule.

We may add additional meetings, so check our website for updates. This is an ongoing experience, and you are welcome to join any time.

Register and see newly added sessions at ctk.church/bellingham/adults. Questions? Contact Pastor Ryan Ervin (ryane@ctk.church or x2228).

John Mukolwe and Maasai women in Tanzania

Carrying the hope of Jesus to the nations

From a slum in Nairobi to a remote unreached people group; from leadership training to children's homes; from schools to medical clinics; from building homes for widows to pastoring a church; from business groups to feeding programs... the continuing thread that connects all of these is hope! Our CTK Global Partners in Kenya and Tanzania are bringing hope to the most vulnerable in society and offering Jesus' love, compassion and kindness to those they serve.

On our recent visit to Africa as CTK Global Ambassadors, we were humbled over and over by the beautiful sacrifices our partners make daily as they love and serve others. We saw them live out 1 John 3:16-18, "This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers and sisters. If anyone has material possessions and sees a brother or sister in need but has no pity on them, how can the love of God be in that person? Dear children, let us not love with words or speech but with actions and in truth."

The needs are immense and can feel overwhelming, but our God is greater!

Moving to a Year-Round Commitment to our Food Share Partners

You can help meet the growing need by regularly donating to our Food Share Ministry

The CTK Food Share ministry is an integral part of our community and helps our partners meet hunger needs all throughout the year. As many of us suspected, the aftermath of the pandemic has left many on the brink of food insecurity. Rising costs are forcing many to choose between buying groceries or paying essential bills.

During the summer, we're able to grow 100,000+ pounds of produce at the CTK Farm to share with our community. But when that season comes to an end, the hunger in our community doesn't go away. In fact, it increases as other bills go up in the winter months.

That's where we have the opportunity to remain engaged with the needs

of our neighbors. Over the years, your donations of shelf-stable food have stayed mostly level. But the need has steadily increased.

The pandemic forced our partners to create new distribution methods. For example, the Bellingham Food Bank switched to a drive-through model at their North Bellingham distribution (which happens in the CTK parking lot). This allows more people to access food more easily than other distribution models. But many neighbors still depend on their neighborhood food distribution centers, especially when they have transportation challenges.

That's where we want to increase our year-round commitment to supply shelf-stable food in greater quanti-

ties to our 26 Food Share partners all across the county. **Will you help us?**

If you haven't already joined the Item of the Month Club, it's a simple way to be part of the fight against hunger in Whatcom County. It's easy! Just text "Food" to 360-800-4173 and we'll send you a monthly text message with a link to our Amazon wish list for the item our partners have requested for that month. You can also purchase locally and drop your donation in the Food Share bin in the Commons.

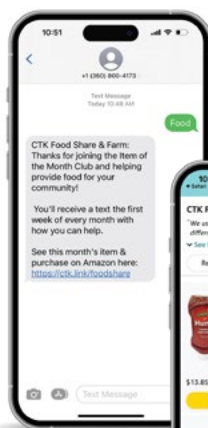

Joining the club is your commitment to purchase 2-3 items each month. If 100 CTKers follow through on this, we will see a significant jump in our ability to impact hunger outside the growing season.

God showed up in 2023 at the CTK Farm in ways we couldn't even imagine!

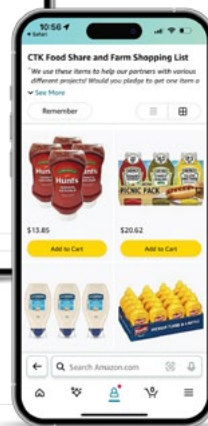

- 575 volunteers served 7,359 hours
- 239 volunteers gleaned 3,009 lbs. of food
- You donated 7,000 shelf-stable items requested by our partners
- Drivers spent 177 hours delivering our Food Share & Farm offerings
- Grew and distributed 98,541 lbs. of fresh produce

Community Partnerships Matter

What makes these vital relationships work?

In 2016, God set us on a pretty clear path to address the needs of our local community more strategically, more intentionally, and just plain more often! Specifically, we set out to invest in a set of relationships with respected nonprofits who were having significant impact in the areas we believed God was calling us to focus on:

- **Kids & Families**
- **Homelessness**
- **Survivor Support**
- **Disabilities**
- **Hunger** (*featured, next page*)

Today we have 14 community partnerships and 26 food share

partnerships that we engage with in so many different ways! Who is the “we” in that sentence? Is it the organization called CTK? Is it the staff or pastors or even the CTK Blessing team?

No, most of what we offer our community partners comes from you, the CTK family. It’s the money you donate to the Blessing. It’s the time you give to join a response team. It’s the items you buy to support our partners’ clients, the way you care, and the way you put your faith into action to show up for each of these organizations.

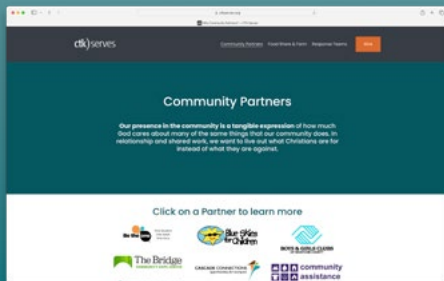

We recently asked you about our community partnerships, and here’s what some of you had to say:

“Our partnerships open the hearts of my non-believing friends and family toward CTK. Often when I mention my church, they associate it with our farm or our work with one of the community partners. I’m so proud of the work this church does to turn our hearts and eyes toward the people and circumstances that matter to the heart of God.”

“We are a visible affirmation of the Christian mission, and our church community grows spiritually together when helping our partners.”

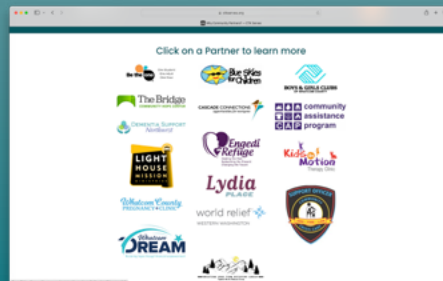

“These partnerships impact the community by enabling people to see the love of God in action, countering the culture’s stereotypes of Christians and the church.”

FEATURED COMMUNITY PARTNER CATEGORY: HUNGER

So that's why it's called CTK Food Share & Farm!

From a humble food pantry to a thriving ministry that serves our whole community

CTK joined the local fight against hunger in 1996, opening a small food pantry which grew into the CTK Food Bank, which inspired a local family to start the CTK Farm on land next to their business.

In 2016, we took a whole new approach to our efforts to be part of God's promise to fill the hungry with good things (Luke 1:53). In conversation with the other 11 food banks in Whatcom County, we zeroed in on the biggest gaps in the food safety net. Based on what we learned, we've spent the last 8 years:

- **Growing fresh vegetables for food banks and meal programs that don't have access to other sources of produce**
- **Mobilizing drivers to get food to the outlets already established in the places of greatest need**
- **Cultivating true partnerships across Whatcom County so we're in a position to respond to the real needs as they change and grow**

CTK Food Share is the name we go by in the community. We have so much respect for every one of our partners who distributes the produce grown on our farm and the shelf-stable food you donate. Each of our partners is reaching a specific community or people group who needs help putting food on the table. Each partner has staff, volunteers, and donors contributing to a specific outpouring of generosity they've been called to. We joyfully link arms with them day in, day out to make sure no one goes hungry on our watch.

So many of us are feeling the effects of inflation, the scarce housing market, and the childcare shortage. In God's economy, all of us are called in certain seasons to humble ourselves and receive help or, at other times, to sacrifice to care for others.

If you're a CTker who's lost what little margin you had, we want to make sure you know where to find help! And if you're in a place where you can give, we're asking you to join us in sharing food with our partner organizations below.

Your generosity toward our Food Share & Farm reaches these partners...
