\$100 Registration. Be prepared to purchase two meals a day in ethnic restaurants. Meals can easily range from \$15-25. Mileage for each vehicle. Out of town guests will be responsible for finding lodging.

Questions: ReachUS@NationsNextDoor.com

Ways to Partner

Unreached Within Reach

3 ¹/₂
Days

Description:

Come join us for an extended weekend experiencing the Nations living in the Metro DC area. We will gather together for a time of training and prayer and then break out into teams of 2-3 people as we head into strategic areas. You will engage the community by visiting ethnic markets and restaurants, ethnic neighborhoods, and popular gathering places, being exposed to the tastes and smells of the Middle East.

Cost: \$\$\$ (Registration, Meals, Housing, & Gas)

The cost will vary whether you live locally or are coming from out of town and how long you will be serving. Out of town folks can stay in a close by hotel or choose to come stay with us. Our home can host 6-10 people depending on the number of couples, singles, people willing to sleep on a sofa or an air mattress. We encourage people to plan on \$15 to \$25 per meal plus any snacks and trinkets you want to buy. Not only will it bless the shop owners, you can also take home an item or two that will remind you to continue praying for the Muslims living in NOVA. For an Unreached Within Reach, you will plan to eat lunch and dinner in the community. Please estimate your gas for traveling from your home or hotel to our meeting destination. A team could easily expect 50 to 100 miles per vehicle of local driving per day. In some locations there could be parking fees.

Age Range:

For Unreached Within Reach, older teens are welcome provided they are ready to actively participate with a positive attitude. Contact us regarding younger teens or children, and we will advise on a case by case basis.

Attire:

Men: Khakis or jeans are fine. No shorts. Collared shirt preferred and must have sleeves. No shirts with Christian messages.

Women: Loose fitting clothes. No low cut neckline. Shirts must have sleeves, 3/4 sleeve ideal but not required. No shorts. Pants or skirts must be below the knee, the longer the better.

Child Safety Training:

Everyone will have a required background check and need to complete a Child Protection Training prior to serving. More info will be given in the Reaching the Nations Pre-Trip Packet.
