## Why Summer Camp at Gretna Glen Camp?

Gretna Glen Camp offers more than just a fun summer experience—it's a place where children and youth create lasting memories, build confidence, and form lifelong friendships, all while growing in their Christian faith. Nestled in the scenic beauty of nature, our camp fosters personal growth, self-discovery, and spiritual development in a safe, welcoming environment. With a variety of exciting activities, including swimming, boating, archery, outdoor adventures, and creative fun, every day at Gretna Glen is an opportunity for exploration, learning, and deepening faith.

Our dedicated staff ensures that every camper is supported, encouraged, and empowered to reach their full potential. Whether it's around the campfire, on the ropes course, at the archery range, in the pool or on the lake, campers are inspired to try new things, challenge themselves, and grow in confidence—while learning about God's love and the importance of community.

At Gretna Glen, we believe in the power of play, the importance of faith, and the joy of being outdoors. Come join us this summer and experience the essence of camp—a place where adventure, friendship, faith, and fun come together to create unforgettable memories.

## Gretna Glen's Leaders In Training

New in 2026, our LIT (Leaders In Training) program replaces our former CLIT program. With the same goals in mind, Gretna Glen shares the opportunity for youth ages 13-15 to gain some real life leadership experience. As an LIT, youth will get to enjoy the fun of helping campers without the stress of being "The one in charge". While assisting counselors and staff with summer camp activities, this program will train youth to be excellent leaders and to serve as a Christian role model for younger campers. LITs will grow in character and confidence led by experienced Program Directors serving as mentors. By learning to lead campers in games, songs, and Bible Discovery, LITs get to bring camp fun to life and follow their call to ministry and service. To help these campers build responsibility, LITs are required to fill out an application, attend one of several LIT training events, and serve for at least one program during the summer.

LITs can apply through the same site you use to register for summer camp. Please have a few weeks available to choose from (day camp programs or select overnight programs based on availability), and be ready to provide 2 references.

Leadership can only truly be learned by leading. Get started this summer as an LIT!
