

R&R: Reformed & Reforming | God Saves (Grace)

Have you ever wondered why Christians place such an emphasis on grace? It's because grace is at the very heart of the gospel. This Sunday, Rev. Dr. Clay Brown continues our summer series from the ECO Essential Tenets. In one of Scripture's clearest and most beloved passages, Paul reminds us that salvation is not something we achieve—it is God's gracious gift. We are saved by grace through faith, not by our own efforts, and created for a life of good works that God has prepared for us. Join us this Sunday as we celebrate the amazing grace that saves, transforms, and sends us into the world as God's workmanship.

Ephesians 2:1-10

A Sweet Sunday!

Celebrate Independence Day with your church family this Sunday! We'll have red, white, and blue popsicles available in the Sanctuary Breezeway for all morning worship services—a festive treat for kids and adults alike. If you're attending at 11:15, arrive early to enjoy patriotic favorites performed by a live quartet in the Breezeway before worship begins. We hope you'll join us as we celebrate the holiday and give thanks for the freedoms we enjoy!

Update to Food Services at MDPC

Food Ministry has long been important to MDPC and the surrounding community. Through many considerations, MDPC has decided to transition to a new food service model, led by a Banquet/Catering & Hospitality Manager. You can read more about this transition and employment opportunity [here](#). We are thankful to the volunteers and chefs who have served through the years, and incredibly grateful to ECI for their partnership and excellence by which they have met our needs and serviced a wide variety of requests. Their service has been a blessing, and we believe this partnership has been a true win-win for both organizations during this season. **Please note:** MDPC Cafe is open for lunch throughout July, except for the week of Summer Celebration (Jul 13-17). However, there will be no All-Church Lunch in July or August. Thank you for your prayers and patience!

Volunteer for Summer Celebration!

Be part of creating an unforgettable experience where children encounter God's love and grow in their faith. [Sign up](#) today and help make Summer Celebration 2026 a week to remember!
