God PLANTS us for a purpose.

God plants us to do life together as a faithful community. Our created purpose is to use our skills, time, and money to contribute to God's work by serving others. When we give of ourselves we plant God's Kingdom for future generations to come.

Your giving helps us "Plant for the Future":

Offering inspiring worship in-person and online to help connect faith and life.

Providing opportunities for spiritual growth through vibrant Sunday School, Vacation Bible School, youth programs, and small groups.

Serving the needs of others through our mission partnerships in Lincoln, Honduras and Tanzania.

Caring for those who are sick, grieving, alone and hurting.

Reaching out to our growing neighborhood.

Maintaining our building so it can be the center for ministries and mission for both Southwood and the community. "The one who plants and the one who waters have a common purpose... for we are God's servants, working together; you are God's field, God's building."

1 Corinthians 3: 8-9 (NRSV)

Southwood is fertile ground for the growing city around us. This is our opportunity to enrich the lives of our neighbors. Your gifts combined with many others fulfill our purpose to share Christ's love with all people.

Please make your annual commitment by completing your Pledge Card on or before Wednesday, November 22, 2023.
