

Greater Love

STEWARDSHIP 2027

*"No one has greater love than this, to lay down one's life for one's friends."
— John 15:13*

Dear WPC Friend,

As we begin the new church year, I want to personally thank you for your continued support of Williamsburg Presbyterian Church, especially during this past year. Your pledge has sustained our ministries and allowed WPC to touch countless lives—within our congregation, in our community, and throughout the world. Sometimes we do not realize what an incredible church home we have in WPC. Our Offering Talks have highlighted just some of the many ways your giving has made an impact.

As noted in the Stewardship Committee's recent financial update, WPC has balanced its budget for the past two years, following four years of budget shortfalls. This progress is the result of your generosity and has allowed WPC continue to be the beacon of light that it has become for so many.

Looking ahead, I hope we can continue to count on your support. Your pledge is key to sustaining the progress we have made. As you reflect upon your pledge for the coming year, I ask that you consider increasing your support to help strengthen our ministries and expand our outreach efforts. With the current rate of inflation, increased support will be needed simply to sustain that progress. We understand, however, that circumstances may prevent a pledge increase. If so, maintaining your current level of support would be greatly appreciated.

Thank you again for your faithful support of Williamsburg Presbyterian Church. You truly make the difference. Dedication Sunday is October 25. You may bring your pledge card that day, return it by mail, drop it off at the church office, or pledge online at mywpc.org/pledge. Your continued generosity is vital as we seek to live the Revolutionary Way of Jesus, expressing greater love for one another and our neighbors in Greater Williamsburg and around the world.

Sincerely,

Pete Osman, Chair
Stewardship Committee: Pastor John Morgan, Jaynelle Oehler, Sherry Volk, Gerry Ward
