TAKE YOUR NEXT STEP

OUR MISSION IS TO RAISE
UP FOLLOWERS OF JESUS

welcome

At Calvary, our mission is simple: "To raise up followers of Jesus." We want everything we do to help people take their next step in following Him.

Throughout the Gospels, Jesus invited people into a lifelong journey of discipleship. He welcomed those who were searching, taught those who wanted to grow, sent His followers into the world to love and serve others, and ultimately called the disciples to be disciple-makers. Discipleship was never meant to be a destination. It is a lifelong journey of becoming more like Jesus and helping others do the same.

The Calvary Discipleship Pathway is our way of describing that journey. It consists of four simple movements: Explore, Grow, Engage, and Multiply. Whether you are exploring faith for the very first time or have followed Jesus for decades, every person has a next step to take.

Perhaps your next step is exploring the claims of Jesus and asking honest questions. Maybe it's developing deeper spiritual rhythms through prayer, Scripture, and authentic community. It could be learning to live your faith more intentionally by loving your neighbors, serving others, and sharing your story. Or perhaps God is calling you to invest in someone else, helping raise up the next generation of leaders.

This catalog is designed to help you identify and take that next step. As you look through these pages, you'll notice that every class, group, and ministry opportunity connects to one or more parts of the pathway. Our hope is that finding your next step will be clear, intentional, and encouraging.

We believe God has extraordinary things in store for our church; not simply by increasing activity, but by seeing lives transformed through Jesus Christ. As each of us continues taking intentional next steps, together we become the kind of church that fulfills the Great Commission: making disciples who make disciples.

Wherever you find yourself today, welcome to the journey. We can't wait to see what God will do as you take your next step with Jesus.

discipleship pathway

“All authority in heaven and on earth has been given to me. Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.” MATTHEW 28:18-20

THE PATHWAY IS BUILT ON OUR CORE VALUES

- Rely on God
- Love First
- Disciple Intentionally
- Empower for Ministry
- Reach Out with Love

Every person is somewhere on a journey of following Jesus. We've simply named the pattern we see in Scripture: Explore → Grow → Engage → Multiply

In each stage, we've identified a clear next step that helps people move forward. We also have supporting opportunities that help reinforce and deepen each stage.

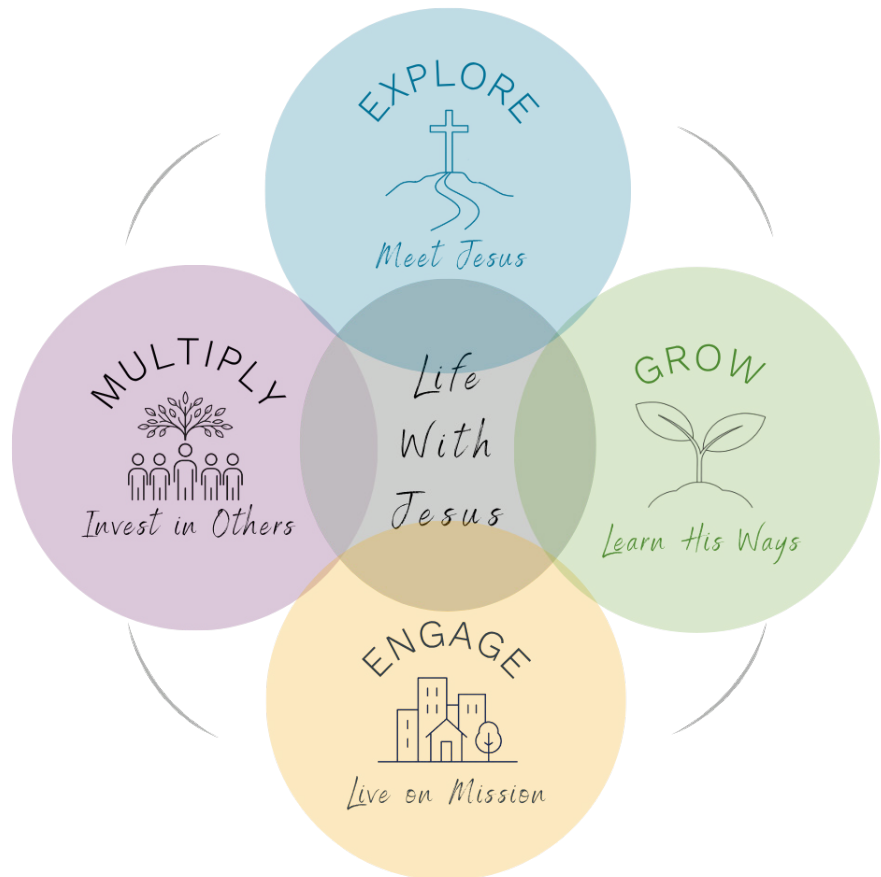

KNOW THE PATHWAY

Explore: Ask questions, experience community, discover Jesus

Win: A person takes a next step toward Jesus and His Church

Grow: Build rhythms, learn Scripture, walk in community

Win: A person builds consistent rhythms with God and community

Engage: Live out your faith, serve, bless others, share your story

Win: A person puts their faith into action

Multiply: Invest in others, develop leaders, help others follow Jesus

Win: A person is intentionally investing in someone else's faith journey

Is your identity deeply rooted in the care of the Good Shepherd? Who and what you believe you are permeates how you live. A faulty identity will create cracks in one's soul. When we entertain thoughts about ourselves that are untrue of how God sees us, we will always live with our open wounds and beneath our privilege in Christ. Join the adventure as we rediscover, restore, and root our identity in the unshakable care of the Good Shepherd who longs to secure us in His fiercely tender love. MENTORING

Disciples of Jesus not only grow, but they also help others grow. Mentoring is a focused, intentional relationship where two people meet regularly to study scripture, encourage one another, and take practical next steps in following Jesus. Whether you're ready to invest in someone else or looking for someone to help you continue growing, mentoring is a powerful way to multiply the life of Jesus from one person to another. Contact us to learn more about becoming a mentor or being paired with one.
