

# Impact Scholarship Application

This application must be completed by all who are applying for a scholarship from Calvary Church. Must also complete the Impact Trip Application. To qualify for a scholarship you must:

- have attended Calvary Church for at least two years.
- be college-age or older and going on a Calvary trip or non-Calvary trip.

Any Jr. and Sr. High students going on a non-Calvary trip can also apply. (Students going on Calvary Church trips cannot apply for this scholarship.)

The Short-Term Impact Committee meets mid-month, September-May. In order to be considered for funding, your application must be submitted six weeks prior to your departure, and at least one week prior to the committee's mid-month meetings. There is value in your community supporting you along this journey: financial, encouragement, prayer, etc. Our desire is that every scholarship recipient shares a support letter with their community. Please attach your support letter to this document.

Prayer is very important: before, during and after your trip. We strongly encourage you to recruit a diligent team (8-10 people) who will pray for you. How far along are you in assembling this prayer team?
