LET'S PRAY!

Part of Calvary's vision is to pursue greater reliance on God. We believe the Lord wants to use this time of transition to grow our spiritual discernment and purify us for the next season. Join us at these open prayer opportunities or start your own!

Jesus, in this time of transition we look to you. Please forgive us for at times turning our eyes to other people and places for help. We confess that you are our only hope. We praise you for having the best strategies and timing. We trust you for unity in our body, transformation in our hearts and direction for the future. We submit ourselves to you and ask you to bring us into alignment with your purposes for our communities. Amen.

SUNDAYS

Altar Prayer / Roseville & White Bear Campus

We are restarting altar prayer at both campuses! Going forward to be prayed for is a sign that you are human. In fact, none of us can escape this truth or ever outgrow the need for prayer. Let's get spiritually clean - take advantage of this amazing opportunity on Sundays. Contact Lisa Horsager (lisa@horsagerfamily.com)

Prayer Walks / White Bear Campus 8:30am

Meet Suzanne Singer Summer on Sunday mornings at 8:30am inside main doors at the White Bear Campus to walk around the building and pray as led.

Prayer Meeting / White Bear Campus 9am

Meet Norma Wymore in the White Bear Campus Prayer Room to pray primarily for the worship services that day. This group also welcomes anyone who needs prayer to come during this time.

WEDNESDAYS

Prayer Room / Rotating Roseville & White Bear Campus 6:30pm

A monthly space and time at Calvary Church dedicated to connection and intimacy with the Father. Not overly structured, but focused on encountering and partnering with the heart of Jesus. It is a time for our church family to abide in Him (John 15). It will always be a time of prayer. It will often include a time of worship and sharing of testimonies.

June 5 / Roseville Campus Atrium

July 10 / White Bear Campus on Lawn Outside

August 7 / White Bear Campus Room 109

Power Hour Prayer / White Bear Campus 6:30pm

A weekly prayer meeting in the White Bear Campus Prayer Room. We pray for our staff, church community, broader neighbors, the world, and for each other. All are welcome. Contact Nancy Boucher (nbees@msn.com)

BY APPOINTMENT

Inner Healing Prayer Appointments

We offer time slots by request for those sensing they need deeper healing. God is a healing God whether physical or mental healing, we believe he wants us each to be whole.
