This handbell piece attempts to illustrate parts of our journey as we travel through life. Sometimes the road is smooth and quiet, but other times we crash into obstacles and fall. For all of us, but for young mothers especially, there are so many voices vying for attention, it's difficult to concentrate and to even see the path ahead. Thankfully, Christians have a "Good Shepherd" and "Guide" to lead us on our respective pathways home, and to even help us celebrate the journey.
