

A Prayer for Trip to Home, South Korea: Reuniting with Parents and Grandparents

Dear Brothers and Sisters in Christ,

Since 2016, our family of six children, together with Jacob and myself, has not had the opportunity to meet our parents and grandparents who live in South Korea. The travel costs have always been very high, and our ministry work in Ahousaht has meant that our residency and financial situation have not been stable enough to make this trip possible.

For the past nine years, Jacob and I have been praying for this, faithfully renewing our passports and waiting upon the Lord. Yet, our financial situation was never sufficient. Reflecting on our missionary journey—sustained by the steadfast prayers of our grandparents—we have been encouraged to share this as a prayer request with you.

Although four of our children were born in Ahousaht, we long for them to connect with their hometown and heritage, and to meet their grandparents face-to-face. With God's will and your support, we hope to make this trip possible before the Christmas holiday of 2025. We sincerely thank you for your prayers, encouragement, and consideration as we look forward to this long-awaited reunion.

In Christ's love,

Rachel & Jacob Hwang and Family
