Dear SDBC Members:

We are excited to present a year-to-date (YTD) financial report and the proposed budget for 2024. As our team worked on compiling this packet, we were reminded of the incredible blessings we've experienced over the past year and how God has worked in and through us as a church. We are filled with deep gratitude and a profound sense of thankfulness as we cast our gaze towards 2024. As we plan for the coming year, we are excited about what God has in store for us and how he will use our church as a beacon of light, advancing his kingdom in our community and beyond.

2023 YTD Financial Update

Thank you for your faithful giving as co-labourers in God's mission. Our year-to-date revenue ending in September is \$962,180, and our year-to-date expenses ending in September is \$932,752, which has us sitting at \$29,428 in the black. We are in a healthy financial position at this point in the year and thank God for his provision. We are on track with our *Total Revenue YTD Budget* target of \$963,015 and are currently exceeding our *Tithes and Offerings YTD Budget* goal of \$810,500. Here are a couple of important items to highlight regarding our financial position:

- 1. We have received three large, one-time gifts YTD totalling **\$155,000** reflected in *Tithes and Offerings*.
- 2. Our Facility Use Revenue excludes budgeted revenue from our expected Southpointe Academy parking lot lease. The lease agreement has taken much longer than anticipated to finalize. However, we entered into an agreement with Southpointe to backpay any outstanding amount owed once the lease agreement was finalized. The total amount outstanding at the end of September is \$69,000.

Overall, we continue to see healthy and consistent giving and believe this trend will continue as we grow as a church. We are thankful for the encouraging growth in our overall revenue. This is cause to be thankful for God's provision. God is good and providing all that we need to achieve our ministry goals and initiatives.

Something to be aware of if you are tracking our weekly financial updates in our SDBC Newsletter: we base our weekly giving targets on historical giving trends instead of dividing our budget evenly over 52 weeks. This is why you will notice a discrepancy in our September 2023 Executive Report between the budgeted YTD total revenue (\$963,016) and the budgeted YTD total expense (\$1,003,025). Our expenses are based on month-to-month ministry budgets.

Here are a few additional notes on our September 2023 Executive Report:

- 1. Our Monthly Budget for *Administrative Expenses* is **\$3,892**, but our Month Actual is **\$11,458**. This is due to legal fees related to finalizing our Southpointe parking lot lease.
- 2. You will notice that our Monthly Budget for *Payroll Expense* is **\$69,295**, and our Month Actual is **\$57,297**. This reflects two open positions we are

actively trying to fill, our Director of Facility Maintenance and a part-time Minister to Seniors, along with Jacob Harder, our Director of Youth and Young Adult Ministries, currently working 25 hours a week instead of 40 hours a week.

Looking ahead, please pray for our finances. We often enter the year's final quarter in a deficit but see an increase in giving in November and December. As we enter the final stretch of 2023, let's continue to fix our gaze on Christ and trust that he will provide everything we need: Philippians 4:19, "And my God will supply every need of yours according to his riches in glory in Christ Jesus."

Proposed 2024 Budget

Attached, you will find our most up-to-date Executive Report (page 7), a 2024 Budget Summary (page 8), and the proposed 2024 Budget (page 9) along with notes highlighting certain line items.

Here are a few important items to highlight as you review the proposed budget. You will notice that we're projecting a total revenue of **\$1,478,844** for 2024. This is an increase of roughly 11.6% compared to last year's total revenue of **\$1,362,000**. We believe this increase will stretch us, but it is a reasonable projection based on the following:

- 1. An overall increase in our general *Facility Use Revenue* from rentals (\$60,000)
- 2. Transferring a larger portion of our reserve funds into 1-year non-cashable term deposits averaging 5.5% interest reflected in *Interest Income* (\$16,000)
- 3. An increase in First Steps student fees as well as growth in registration (\$103,500)
- 4. Finalizing our Southpointe parking lot lease reflected in *Revenue from Other Sources* (\$91,844)
- 5. 5% growth in *Tithes & Offerings* that will stretch us, but we believe is a healthy challenge **(\$1,207,500)**

This revenue target will fuel our ministry plans and goals for 2024. You will notice that most of our ministries have increased their budgets from 2023, which is very exciting. We believe this budget reflects what God is calling us to in 2024 and beyond as we live out our mission and vision to *Love Like Jesus*.

Jordan Scott Executive Pastor

We have now shifted the lease to Revenue from Other Sources. The \$60,000 target is based on rental income throughout the year.

² Community Life: You will note that there is a significant increase in the proposed Community Life budget for 2024. This is because we are emphasizing our goal of *Radical Hospitality and Meaningful Connections*. We have always said that our budget should reflect our vision and values, so the Community Life budget includes more meals, welcome baskets for people new to our community, and other connection points planned throughout 2024. We have so many new people at our church each month, so we want to help them experience many connection points with our church family, and we want them to experience our Christ-like hospitality.

³ Missions: The decrease of Local Missions and increase in Global Missions reflects shifting a missionary from Local Missions to Global. Further, the decrease in Tsawwassen Community Church reflects ministry challenges due to Covid-19. However, we are excited to highlight that we recently relaunched the Global Missions Team and look forward to their work supporting, amplifying, and expanding Missions at SDBC.

⁶ Salaries & Benefits: We have included a 3% COLA (cost of living adjustment) for staff and budgeted for a new position (Minister to Seniors). However, we also had Rebecca van den Brink retire, which decreased our overall salaries.

⁷ First Steps Expenses: The increase in Salaries reflects a 3% COLA (cost of living adjustment) and an increase in staffing hours. This is in line with the increase in fees and enrollment.
