## Director's Note

Welcome to a brand-new school year!

We are so thankful you have chosen to be part of the Arcola Christian Preschool family! The staff is ready to welcome their new students after spending this past week preparing their classrooms. We can't wait to get to know your children throughout the school year. Thank you for entrusting us with their care.

Please make sure to check your child's school bag each day and take time to read the ACP and classroom newsletters. These will keep you informed of the happenings at our preschool. We also post the ACP monthly newsletter on the website for your reference.

This newsletter is a bit longer than we typically send home, but it is full of important information for the beginning of the school year.

We are a developmental preschool. That means your child will be involved in a variety of active learning experiences. You will not get a craft sent home every day and some things that are sent home may make you wonder, "What is this for?" Be assured that we are using age-appropriate methods of instruction to help your child build a strong foundation for learning.

The preschool staff has been praying for your children as they have been preparing their classrooms, newsletters, and lesson plans. We've attached a back-to-school blessing tag to each child's bag (unless you attend Arcola Church and already got one from the Sunday school kick-off) to remind them that the congregation of

Arcola Church and the staff of the preschool have and will continue to pray for them.

I remember my grown children's preschool days fondly and hope you will do the same one day. My son lives here in northern Virginia and my daughter lives in Colorado with my grandcat, Pickles, so I feel especially blessed to fill my days with your joyful little ones!

If you have any questions or concerns, feel free to contact me at any time.

## **Enter in Good Health**

As a reminder, when you enter the building or send your child into the building, you are confirming that you or your child do not have symptoms of a contagious illness. Children should be 24 hours symptom free without medication before returning to school. Please stay home if you are unwell!

## **Admin Notes**

### **Tuition**

Tuition payments are **due the first of each month**. We do not send a bill. The best way to pay is on the preschool tuition [payment page on our website](#). There is a \$25 late fee after the 5<sup>th</sup> of the month. We are a non-profit and rely on your timely payments to pay our staff and purchase supplies.

### **Parent Orientation**

It was wonderful to see so many of our new preschool parents at the parent orientation. Hopefully, a lot of your questions were answered. Most of the information that was discussed can be found in the [Parent Handbook](#). Our job is to provide a joyful first school experience for the children and prepare them for kindergarten by exposing them to many different developmentally appropriate and active learning opportunities. If you missed the orientation or have questions about this, please don't hesitate to e-mail or call me.

### **Rosters**

I will e-mail you an updated copy of your child's class roster next week. Don't forget to let me know if you've noticed any errors so I can get those corrected. These can be helpful for setting up play dates, switching snack days, sharing information, etc. Please remember that these rosters are for

preschool use only and the information is not to be used for business purposes.

### **Absences**

If your child is going to be out of school due to illness or travel, please email your child's teacher or the preschool office.

### **Classroom Notes**

#### **Snack**

All snacks must be nut free – that includes peanuts and tree nuts. **This policy applies to all snacks to be consumed at the preschool, including those brought in for celebrations, as well as items to be sent home with the children in goody bags.**

We cannot serve items that have been processed or packaged in a facility that also processes or packages peanut products. Snacks must be store bought with labels we can read and be unopened. We will send home the leftovers, but we have no way of knowing if the items inside have come into contact with nuts if the package is open. Since this can be an airborne allergen, we need to be as cautious as possible. **Thank you for your cooperation in keeping all our students safe.** We will send home any snack that doesn't meet our guidelines.

We will make sure your child's **reusable water bottle** is filled before snack.

Due to the choking hazard, we prefer to NOT serve grapes or baby carrots (cutting them into safe sizes can be time consuming).

#### **Water Bottle**

Children are asked to bring a small, reusable water bottle (around 12 oz) that we can refill as needed. (Water only!) We can fill it at school, so there is no need to risk a leak or spill in their school bag.

#### **Clothing**

Please be sure to label all clothes, jackets, and school bags with your child's name. Many children do not recognize their own belongings when there are several others that look similar.

Please send in an extra set of clothing to be kept at school for your child. Occasionally, accidents and spills happen.

### **Socks and Sneakers**

Those flip-flops are adorable.  
Your sandals are so cute.  
And you look very stylish  
In your clogs and cowboy boots.

But when you're on the playground,  
Where there's dirt and mulch and rocks,  
The safest things for you to wear  
Are sneakers and some socks!

The mulch can scratch your ankles.  
The rocks can stub your toes.  
You might take a tumble  
And bop your little nose!

Your teachers want to keep you safe.  
We think you're very sweet.  
So please wear socks and sneakers  
To protect your little feet!

### **Arrival and Dismissal**

We will begin the arrival carline at 9:25 each morning. Please do not go into your child's classroom before that time. Before 9:25am, the teachers are working hard to prepare for the day. Dismissal carline will begin at 12:15pm.

If you choose to walk in for drop off or pick up, be prepared for a quick hand-off at the classroom door.

With children who have trouble separating, it is best to use the carline for drop-off at first.

There is a map of carline on the back page of the online [Parent Handbook](#). Please keep the following in mind to help our carline run smoothly and safely:

- Stay in your car.
- Do not use your cell phone.
- Turn off electronic devices when you get in line. (movies, games on phone or iPads, etc.)

Upon arrival, staff will open your child's door, help your child out of the car, and walk them to their classroom. It is best if preschool children are on the passenger side of the car so our staff can easily unbuckle them, or if they can easily get to the passenger side to get out of the vehicle.

For dismissal, please hang your carline sign from the rearview mirror with a pant or skirt hanger so it is easy for us to see throughout the entire pickup process.

Staff will put your child into your car; **however, it is the responsibility of the driver to fasten safety belts.** If a child requires assistance in fastening his/her car seat belt, please pull into a vacant parking space or into the gravel parking lot to secure him/her properly. This helps keep the carline moving smoothly. Thank you for your cooperation.

Please make sure to share our carline procedures with anyone who transports your child – nannies, grandparents, friends, etc.
