This field trip to Claude Moore Park in Sterling will be a “nature sampler” where the children will learn about various plants and animals and have the opportunity for some hands-on exploration in Frog Shackle Nature Center.

- Wednesday, April 29 – Dazzling Dolphins class – **meet at 9:45 am**

If you are late, you are likely to miss the tour.

All students must be transported by their parent, or another adult chosen by the parent. (See the permission slip below.) This field trip is designed as an outdoor learning experience for 4/5-year-olds; therefore, **parents can go on the tour, but siblings cannot.** The cost is \$9/person (students & adults).

If you are unable to make other arrangements for siblings, you are welcome to drop off your child with their teacher and explore the park on your own or run errands at the nearby Target, Costco, etc. The **tour will end at 11:30am so please return to the park by that time.** There will be **NO EXTENDED DAY** on your field trip day. You are welcome to bring a picnic lunch or snack to eat at the picnic tables with the other preschool families after the tour for some fun fellowship time. Picnic tables are first-come/first-serve and you must bring your own trash bags and place them in the dumpster across the parking lot from the Visitor Center when you leave. Water and public restrooms are available in the foyer of the Visitor Center.

Remember to have your child wear appropriate clothing and shoes for outdoor activities. This includes **closed toe shoes with socks**, hats, jackets for cooler weather and rain gear for rain or possible rain (no umbrellas). Bring water bottles for hot weather (In case of an extremely rainy day, we will send an email with alternative arrangements.)

Claude Moore Park is a fragile area. Picking or collecting plants, animals or natural or historic objects is prohibited.
