## Welcome

**W**elcome to First Baptist Church - a diverse faith family centered upon our common Savior, Jesus Christ. Every member of our church family is a 'work in progress'. Each person has found salvation through Jesus and is journeying toward healing and wholeness in the context of this church family. Here we worship together, study God's Word together, pray for one another, and become equipped to bring Jesus and His gospel to our community.

You are among a loving church family which seeks to care for you and serve you. If you are interested in more information about First Baptist Church or have questions, please scan the QR code here.
