

BE A SUSTANING ANGEL!

We are blessed to have a congregation that supports our church with time, talents, and financial gifts. Together we make a meaningful impact in our community, something we can all be proud of. To make supporting our church even easier, we're excited to introduce a new way to simplify the process of financial pledging. We invite you to consider becoming a Sustaining Angel.

Sustaining Angels are committed supporters who give via Realm automated giving and allow their pledges to continue automatically from one year to the next — no need to renew each fall. It's an easy, meaningful way to strengthen your ongoing support of our church. You won't need to fill out a pledge card or go online each year, and your reliable, steady giving helps provide a dependable foundation for WBLUMC's ministries and annual budget.

Because costs naturally rise over time, Sustaining Angels plan for a modest annual increase of 3%, helping the church continue its work without interruption.

How it works

Each fall before the Stewardship campaign begins, the Financial Secretary will let you know your suggested pledge amount for the coming year. You can accept the increase, adjust it, or decline it, whatever feels right for you. If no response is received, the suggested increase will be applied and your giving will continue seamlessly. By becoming a Sustaining Angel, you make a lasting commitment that sustains the life and mission of WBLUMC faithfully, simply, and with impact.

Getting started is simple. You are already eligible if you are enrolled in automated giving via Realm with monthly, bi-monthly, or weekly gifts coming directly from a bank account.

Sign up this fall and you'll never need to go through the standard yearly pledge process again. To indicate your interest in Sustaining Angels, either check the box on your pledge card or email Financial Secretary Carolyn Keith at carolyn.m.keith@hotmail.com. She will respond to answer any questions and confirm your enrollment.
