HOW TO FILL OUT A CAPACITY CAMPAIGN ESTIMATE OF GIVING

Due to the nature of the capacity campaign, we will accomplish goals as funds are received so that we fund a project in full. Therefore we need to know:

1. Your estimate of giving total amount.
2. A time frame for when donation amounts will be received.

On the other side, please indicate your total amount that will be received over the 2 year campaign. Below the total, we encourage you to indicate when those fund will be received in each quarter of the year. If you are unsure, your best estimate is helpful or you may select the “As Able” box.

If you are doing a one time donation instead of spreading it out over the course of 2 years, you may indicate that amount as one lump sum in accordance to when it will be received.

Thank you for your prayerful consideration, generosity, and wise stewardship!
