FROM THE PASTOR'S DESK

REV. DR. PATRICK L. DAYMOND, SENIOR PASTOR

“Cruelty has become the currency of today's politics. To overcome it, our protest must evolve to meet the moment.”

Dear Church Family,

On July 3, the United States Congress passed into law a bill that has been labeled as “big” and “beautiful.” Unfortunately, its core content contains some of the ugliest measures we have ever seen. In fact, there’s nothing uglier than a country that will choose tax breaks over a sick person’s next breath. The recent legislation brings about devastating cuts to healthcare, particularly for Medicaid recipients, as well as reductions to SNAP, which provides nourishment to struggling families. Further, higher education will become increasingly inaccessible due to limitations on federal student loans. These changes collectively paint a picture of moral decay and a loss of human decency that is both infuriating and heartbreaking.

This legislation is fundamentally at odds with the teachings of Jesus Christ. In the Gospels, Jesus consistently teaches that we must care for the least, the lost, the lonely, and the left out. In fact, he says in Matthew 25:45 that whatever we fail to do for the least of these, we have also done the same to Christ. As the wealthiest 1% reap the overwhelming benefits of this legislation, the marginalized and oppressed will bear the brunt of the burden. In this unjust system, it’s disturbing to see the poor being sacrificed, and one

can’t help but feel that, in the struggles of the vulnerable, Jesus is being crucified all over again. As the church of Jesus Christ, our faith calls us to action. It is not enough for us to feel compassion for those who suffer. We must make tangible efforts to support our brothers and sisters in need.

For this reason, we will continue to focus our ministry efforts at Covenant UCC on assisting those who may find themselves in a place of struggle. Additionally, we must put “boots on the ground.” Cruelty has become the currency of today’s politics. To overcome it, our protest must evolve to meet the moment. Not just marches. Not just hashtags. Our resistance must blend storytelling with action. Now is the time to speak up, call your representative, know your rights, and organize locally.

We must build solidarity across churches, barbershops, beauty salons, and book clubs. This isn’t just a policy fight, it’s a moral one. And the church must be in the game, front and center.

In the Game,

Pastor Patrick L. Daymond

BWS FAMILY LIFE CENTER NEWS

REV. DR. TROY UNDERWOOD, EXECUTIVE DIRECTOR

The Barbara W. Smith Family Life Center continues to make a meaningful impact across all areas of its programming. Here are some recent highlights and exciting things on the horizon.

BWS STEAM Summer Camp | Kids Building Skills and Friendships

On June 16, 2025, the BWS Family Life Center STEAM Summer Camp kicked off with its largest class ever. Seventy-five slots were filled from a pool of 160 applicants, reaching full capacity for an exciting eight weeks of reading and math enrichment, along with hands-on STEAM projects powered by LEGO® Education.

Campers are also enjoying engaging field trips to Navy Pier and the Chicago Children's Museum, the DuSable Museum of African American History, and Brookfield Zoo. Weekly assemblies feature special guests, including Emmy-nominated producer and award-winning educator Ernest Crim III, as well as educators from the Sandridge Nature Center.

A highlight of this year's program is the newest addition to the STEAM curriculum—daily performing arts workshops, where students explore the art of singing, dancing, and theater.

The funding for this camp is made possible by the Cook County Department of Public Health.

A chess champion in the making, and amazing tower drops at Navy Pier. Our campers are fearless.

Green Team | Arbor Day Event

The Power of Trees: Creating Beauty and Enhancing Wellness, One Tree at a Time

The recent Plant A Tree – Meet and Greet was a huge success. In partnership with The Chicago Region Trees Initiative and the Morton Arboretum, the event featured sapling distribution, line dancing as a wellness activity, and a Hosta plant giveaway. For reference, a sapling is a young tree that has moved beyond the seedling stage but has not yet reached maturity, typically standing a few feet

tall with a slender, flexible trunk. Distributed species included American hornbeam, gray dogwood, tupelo, persimmon, swamp oak, and hill oak. All tree recipients received educational materials on proper planting, mulching, watering, and ongoing care for their saplings.

A big thank you and much appreciation to the tree adoptees, whose participation contributed to the event's success, as well as to our dedicated volunteers and media ministry for their invaluable support.

Good news: There will be one final sapling distribution event in September. Stay tuned for further details.

Let's continue to enhance our community by planting trees.

Housing Ministry Program | Homebuying Seminar

Homebuyer Seminar Empowers First-Time Buyers, Investors & Returning Homeowners

Covenant United Church of Christ's Housing Ministry proudly hosted a powerful and well-attended Homebuyer Seminar on May 31, 2025, at our South Holland campus. The event was open to first-time buyers, real estate investors, and returning homeowners—all eager to

- **Realtors** – Explained the buying process and market trends
- **Real Estate Attorneys** – Outlined legal protections and contracts
- **Home Inspectors** – Covered what to expect during inspections
- **Insurance Agents** – Discussed how to protect your property investment

A Wealth of Information, All Under One Roof

Attendees left with a clear roadmap to homeownership, along with practical tools to:

- Improve credit and qualify for better financing
- Understand every step of the buying process
- Avoid common pitfalls through legal and professional support

In addition to the presentations, attendees enjoyed resource tables filled with brochures, giveaways, and one-on-one conversations with speakers and vendors. Many expressed appreciation for the warm welcoming environment, and said they felt more prepared and motivated to take the next steps toward homeownership.

Why This Seminar Matters

"This was more than just a seminar—it was a mission to educate and empower our community to build generational wealth through homeownership," said Brenda Morgan, Chairperson of the Housing Ministry. "We are so grateful to all who attended and to our amazing panel of professionals who poured into our community."

Scholarship Sunday Awards Many Covenant Students

This past June, our congregation came together on Scholarship Sunday to support the academic futures of our students, a truly inspiring moment. We are thrilled to announce that \$58,500 in scholarships has been awarded to our deserving students, helping to pave the way for their pursuit of goals and aspirations at esteemed institutions such as Morehouse College and the University of Illinois at Urbana-Champaign.

in ensuring the success of our students. In addition to awarding scholarships, the committee provides invaluable support through financial aid seminars, writing workshops, and Freshman Bootcamp. Moreover, the committee shows ongoing care by sending college care packages to our students during their time away at school, reminding them that they are loved, supported, and not forgotten.

Notable Scholarship Highlight

One exciting development is the introduction of the Stewart HBCU Scholarship, a new scholarship established by siblings Lauren, Elijah, and Andrew Stewart.

As former recipients of the church's scholarships, the Stewart siblings exemplify the impact of these awards and demonstrate a heart of gratitude by paying it forward. Their generosity will provide support to a student attending a Historical Black College or University (HBCU).

These scholarships support both new college students embarking on their academic journeys and renewal recipients continuing to excel in their studies.

The generosity of our congregation has made this possible, and we extend our gratitude for your investments in the futures of these students. Your contributions will undoubtedly have a lasting impact on their lives, empowering them to reach their full potential and make a positive impact in the world. Building on this foundation of support, the Scholarship Committee's work is instrumental

As we look to the future, we pray that God will bless and guide our students as they pursue their passions and dreams. We are proud to support their endeavors and look forward to witnessing the remarkable things they will achieve. Thank you again to our congregation for your unwavering support and investment in the futures of our students.

COVENANT YOUTH MINISTRY NEWS

REV. KEVON CARTER

Youth Day Recap: A Day to Remember

Our annual Youth Day took place a couple of weeks ago, but every time I reflect on it, I'm still filled with joy. From start to finish, it was a powerful reminder of what God is doing through the young people of Covenant.

The youth/teen choir kicked off the service with "Love Theory" by Kirk Franklin. There was some hesitation about starting the service with a song that's not your typical Sunday morning opener. But all that faded the moment I looked out and saw the congregation standing, clapping, and singing about their love for God! God's Little Angels were, as always, on point. They blessed us with two of my favorite selections: "Come and Go with Me" & "I Am a Promise."

We were also proud to see Josiah and Emmanuel, two of our newly ordained junior deacons, lead the Call to Worship and the Offering Prayer with confidence and grace.

Our youth dancers gave an incredible presentation that was skillfully and thoughtfully put together. I would be wrong if I didn't shout out our media ministry, who did a wonderful job putting together our youth church promo video.

The video was so well put together that it had me wanting to visit youth church, and I'm the youth pastor! Special thanks as well to all those who took part in the "Youth Slang Challenge" video. June 22ND was also our Scholarship Sunday. We took time to honor our graduates and present scholarships. It **NEVER** gets old seeing our church not only clap and cheer for our young people but also give generously to support their future.

I can't overstate what a blessing it is to see love in action, and don't get me started on how awesome it is to be on the receiving end of a scholarship. But please don't underestimate the blessing it is to give. There's something powerful about knowing you played a role in helping someone else. The truth is, we all can play a role by supporting the Scholarship Ministry. I genuinely believe that when we're generous toward others, we position ourselves to receive God's generosity in return. Whether it comes through a scholarship, an unexpected blessing, or simply the joy of knowing you made a difference, God always honors a generous heart.

And finally, I had the honor and privilege of bringing the Word on Youth Day. Thank you for not booing me off the pulpit! 😊 But seriously, it's truly an honor to serve here at Covenant UCC, and I'm so excited about what God is doing in and through our youth.

Let's keep cheering them on, not just on Youth Day, but every day.

COVENANT HEALTH AND WELLNESS NEWS

Menopause? THINGS MY MOTHER DIDN'T TELL ME!!

Women of all ages gathered to discuss the effects and misinformation surrounding menopause. The panel included Dr. Dewanzer Jones (Psychiatrist), Dr. Toni Scott-Terry (GYN), Tiphne Sharpe (Nursing, NP), and Felicia Houston (LCPC). These experts dispelled myths about menopause, particularly for women of color.

The event provided a safe space for women to learn the truth about their feelings and realize they were not alone. The day was filled with laughter, tears, and healing stories from the community of faith. The women expressed a desire for a follow-up event, including their spouses and significant others, which the committee agreed to organize in the fall.

The atmosphere was warm and inviting, with tables set with hot tea and teapots to encourage calm and sacred conversations. A beautiful catered breakfast was served, and the

discussions began. Elder women shared their experiences and the lack of information they had received about menopause, often only hearing about “the change” from their mothers.
