Scripture Reading

Genesis 11:1-9

NIV

Edith Serota

11 Now the whole world had one language and a common speech. ²As people moved eastward, they found a plain in Shinar and settled there.

³They said to each other, "Come, let's make bricks and bake them thoroughly." They used brick instead of stone, and tar for mortar. ⁴Then they said, "Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves; otherwise we will be scattered over the face of the whole earth."

⁵But the Lord came down to see the city and the tower the people were building. ⁶The Lord said, "If as one people speaking the same language they have begun to do this, then nothing they plan to do will be impossible for them. ⁷Come, let us go down and confuse their language so they will not understand each other."

⁸ So the Lord scattered them from there over all the earth, and they stopped building the city. ⁹ That is why it was called Babel—because there the Lord confused the language of the whole world. From there the Lord scattered them over the face of the whole earth.
