### **BASIC SS Class – 10:00 AM – Room 8**

Words of Life: Jesus and the Promise of the Ten Commandments Today

Join Harry Owens on Sunday mornings at 10 AM in Room 8 for this study. In this book of Scripture and inspiration, bestselling author Adam Hamilton brings modern eyes to the most important set of ethics in history. He considers the commandments in their historical context, considering the meaning of each commandment in Hebrew, unpacking how Jesus reinterpreted them, and showing how every thou-shalt-not was intended to point to a life-giving "thou shalt." He also explores how the latest research in science and psychology illuminates these commandments, rightly understood, as a way of ordering one's life beautifully in the present day. In a culture marked by workaholicism, materialism, and social media-driven envy, God has given us a time-tested path that leads to gratitude, confidence, and peace.
