# Our Ministries

---

Our ministries were defined by our founder, Father Wilhelm Berger, as "works of neighborly love." They are carried out in Illinois, Indiana, California and Brazil. We serve in health care, education, parish ministry, diocesan ministry, retreat ministry, bodywork, and ministry among the poor. Here are additional ways we care for the poor.

- **Franciscan Foundation:** Through our Franciscan Foundation, our congregation helps support the work of non-profit organizations in the United States that reach out to the poor around the world through health, education and social services.
- **Shelters/Food Pantries:** Non-perishable food items can be placed at our chapel entrances year-round. The donations are then distributed to three area shelters/food pantries.
- **Manteno Veterans Home:** In November, donations are accepted at the Motherhouse and taken to the Veterans Home.
- Congregational donations are regularly made that serve the needs of the poor in our world.

# ALL ABOUT US

We are vowed women religious seeking faithfulness to God's continuous creative action in our lives. As Franciscans, we are impassioned by the Gospel and the spirituality of Francis and Clare as we seek to further God's dream.

WE ARE FRANCISCAN SISTERS, MERCIFUL, JOYOUS AND POOR, DOING WORKS OF NEIGHBORLY LOVE.

## Who are we?

We believe neighborly love doesn't stop at the backyard fence. All are neighbors, whether next door or across continents. Connect from wherever you are to this Franciscan congregation of religious sisters and find companions on your journey to encourage and inspire you, to challenge and grow your faith, to bring you unfailing hope that the Divine moves within and among us, as we become the hands and feet of Jesus in service to one another.

Our Franciscan heritage calls us to live with open hearts and minds, extending hospitality to all. We welcome and embrace minorities and diversity in cultures, religious perspectives, prayer styles, talents and professional callings.

With deep joy we awaken hope in our neighbors through works of love. Like Saints Francis and Clare, we journey in the footprints of Jesus through simple, Gospel living
