

A stylized winter illustration. In the background, two large mountains are depicted with white snow on their peaks and blue-grey slopes. A ski lift cable runs diagonally from the top left, with a single gondola hanging from it. In the foreground, there are several trees: a large, dark green evergreen on the left, a smaller orange-brown tree next to it, and another dark green evergreen on the right. A pair of skis and poles are stuck upright in the snow in the lower right. The sky is a solid dark blue.
