This card is meant to represent, in a tangible way, the commitment you are making to the Lord and His church in terms of your financial support to our capital campaign. Your commitment and gifts are held in complete confidence, and this card is not legally binding. We simply need to know how to plan for the future, and we ask that you provide a giving estimate. If something changes in terms of your financial situation, you can always increase or decrease your estimated gift. Thank you for loving the Lord and His church enough to help us prepare for generations to come.
