***Little Gray Donkey***

Little gray donkey, clip, clop, clip, clop  
On the way to Bethlehem;  
Little gray donkey, clip, clop, clip clop,  
on the way to Bethlehem.

***Birthday Presents***

Cup of warm milk, baby Jesus, present from the cow.  
She has given it for your birthday; drink it, drink it, now.

Wooly blanket, baby Jesus, present from the sheep.  
It will be a soft, white cover when you go to sleep.

If you're hungry, baby Jesus, what will you eat then?  
Taste this brown egg, you will like it, brought by Mother Hen.

Here's another present, Jesus, when you want some fun!  
On his back the colt will take you, riding in the sun!
