GLOBAL PARTNERS CORNER

FBC Global Partner MATA (Mission Aviation Training Academy) will be hosting their Mission Aviation Summer Camp this summer from July 21st-26th at the MATA facility at the Arlington, WA airport. The purpose of the camp is to introduce teens (14yrs - 18yrs) to the exciting world of missionary aviation, providing a fun, challenging, educational experience for campers in a Christian environment introducing them to the challenges of world evangelism and missionary work in remote areas of the world. Campers receive classroom ground instruction on aviation theory, weather, and other related topics plus "hands-on" flight instruction flying from the pilot's seat with FAA certified flight instructors during the course of the week (weather permitting).

If you have children or grandchildren interested in aviation, this is an excellent opportunity to expose them to this ministry in aviation.

All the supplies are provided you only need to bring your hands! Contact Meredith, phone- 360.679.1585 or email- familybiblechurch@comcast.net, for further details.

C O G

It's February! Last month our local shelters were able to help our community in need by being open longer and with more people than normal who were escaping the extreme cold. This month there is extra need to help restock the SPiN Café and Haven with supplies. The Giving Tree will be out Sunday during service. Please consider taking some tags and bring your donations back the following week. Thank you for all you continue to do in helping our churches Community Outreach.

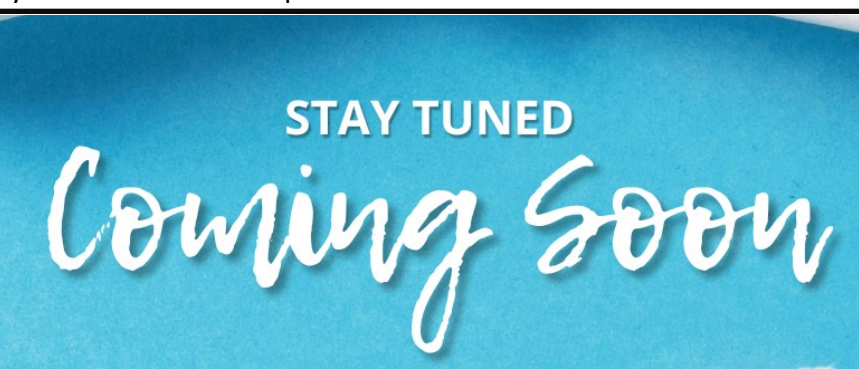

FBC MEMBERSHIP

Members, make sure to submit your votes this week for the two candidates for elder. Voting closes at midnight on the 10th. Look this week in your emails for a link to the form.

DID YOU SEE IT?

Our parking lot has gone through some changes! This week our elders and staff were able to coordinate, with Highline Pavement Maintenance in Mt. Vernon, the restriping of our parking lot! I don't know about you but I think it is exciting to see all the lines so bright and clear!

Also, we have adjusted the five parking spots on the South side of B-Building. They are now "Limited Mobility" parking spots. Our parking lot does not allow for more handicap parking spaces at this time. These limited mobility spots are both closer to the church and on level ground. If this would be helpful for you then feel free to park there!
