MEN’S MEXICO BUILD TRIP

Monday evening 17 men and young men from Family Bible Church and other churches around the Pacific Northwest returned from building a home for the Nava Rodriguez family in Tijuana. Many of the long time veterans of the group brought their son’s & grandsons on the trip. These young men got to see what Godly men look like when they’re working together to serve our Lord and to the hands and feet of Jesus. Our mighty God was on the move all throughout the build. The Holy Spirit led our Band of Building Brothers through a physically, emotionally, mentally and spiritually challenging experience. He helped 7 of us overcome multiple illnesses and led us through the most complicated build project to date. In the end, a family’s life has been forever changed, new relationships with Jesus formed, deeper relationships with each other were forged and God was glorified by it all. Thank you Jesus for teaching us what it means to serve the least of these! And thank you FBC for faithfully supporting this trip each year!
