

# Heavenly Hearts

Do you desire to have a female friend who will really listen, care and pray for you regularly? Is God leading you to develop your prayer life?

*Heavenly Hearts* exists to enhance the Christian relationship with each other and the Lord. In the prayer partnership two Christian women commit to meet weekly to share

- Two Praises
- Two Prayer Requests
- Two areas for which they want to be accountable

After each woman shares her prepared written list for 15 minutes, they culminate their time by praying over all that was shared.

*Make the Connection*

*A great way to...  
"train yourself  
in godliness."*

Steps to establishing a prayer partnership...

- Ask the Lord to bring a woman's name to mind.
- Give her a Heavenly Hearts brochure.
- Ask her to pray about being your partner.
- Have a first meeting time, being sure to adhere to the one-hour time frame.

May the Lord bless you as you partner in prayer with another Christian woman.

*"It is awesome to see, talk, and pray about how God is working in our lives."*

*"Through this relationship I have grown closer to God and closer to another woman."*

*"It's amazing how blessed I am after our Heavenly Hearts meeting. This one hour in my week is well spent."*
