Scuba VBS Recap

The Lord blessed us tremendously at our Scuba-themed VBS this year. We welcomed almost 90 children, including many families from the community with no specific church home, and we focused on the fact that God is real, that He loves us, that we can trust Him, and that He is eternal. In keeping with our underwater theme, our offering was earmarked for a mission in Cambodia that seeks to help farmers survive the dry season by building fish ponds. Our goal was to build one fish pond, but the \$561 we raised actually enables us to contribute two fish ponds! Praise the Lord for the generosity of so many and for the opportunity to teach our children about how God is at work around the globe. Many thanks to all the volunteers who gave of their time and energy to bring this week to fruition!

Thank You from North Care Women's Clinic

The North Care Women's Clinic in Lansdale would like to thank our congregation for our generosity and participation in the Baby Bottle Boomerang. **Together we raised \$2806** for the ministry of the North Care Women's Clinic.

Thank you for your ongoing prayers for expectant mothers and those who care for them, both physically and spiritually. If you would like to learn more about the clinic or how you may volunteer, please click [here](#).

To the degree that we live out the chief purpose of our lives, to the same degree will we experience joy. The Lord Jesus commands us to "abide in him" in order that we would live out our purpose, and in doing so, experience joy in its fullness."
