## LEARN THE WORD

### Psalm 8:3-4

*When I look at Your heavens, the work of Your fingers, the moon and the stars, which You have set in place, what is man that You are mindful of him, and the son of man that You care for him?*

- There is one morning and one evening in one day. God created everything in six days.
- God made plants with seeds so they could grow more plants just like them. They were created to reproduce “according to their kinds.”
