# Endowment Fund

## What is the Endowment?

The Endowment at Point Loma Community Presbyterian Church is a lasting way to support the church's mission and ministries well into the future.

Unlike regular giving, which supports the church's ongoing operations, gifts to the Endowment are invested, and only the earnings are used to support special projects beyond the operating budget. These include both the care and improvement of church facilities and the development of new and innovative ministry initiatives that allow the church to explore fresh ways of living out its mission. Gifts are invested in a diversified portfolio

with the Presbyterian Foundation and overseen by a dedicated committee with accountability to the Session, ensuring that each gift is stewarded with care. In this way the Endowment is designed to grow over time, enabling future generations to experience and share God's love through the church's work.

By contributing to the Endowment, members and friends of PLCPC have a meaningful opportunity to leave a legacy of faith, generosity, and vision. Whether through planned giving, memorial gifts, or bequests, your contribution helps secure the future of the church's mission in the Point Loma community and beyond. It's a way to make a lasting impact — one that will continue to bless others for years to come.

## Giving Makes an Impact

Thanks to the support of the Point Loma Church Endowment Fund, turf and a permanent shade structure were installed over what was once an ordinary parking lot—transforming it into a vibrant, multi-use space for ministry and community life. This investment became essential during the pandemic, allowing worship to continue safely outdoors. Later, it made possible the opening of our infant center by meeting strict licensing requirements for a separate infant playground. What began as a facility upgrade has grown into a hub for community life—hosting preschool chapel, family gatherings, and events that bring people together throughout the week. The Endowment didn't just fund a project; it created space for ministry to grow in unexpected and lasting ways. Without it, none of this would have been possible.
