

# Small Group Discussion

The Week of: Jan. 21, 2026

**What's your life like:**

**What's something that has changed from the time you were a little kid?**

**What are we talking about this week:**

This week is a decision message and we will be talking about building our lives on God's love! Check in to see if any of your students chose to put their faith in Jesus and CELEBRATE, ENCOURAGE and PRAY for them! If they didn't text in, please get their name to your Pastor of Student Ministries. This allows us to follow up well with that student.

## Main Point of Message

- God's love is a foundation worth building your life on because it is unchanging, unfailing, and strong enough to carry the weight of our sin.

## Bible Verses

- 1 John 4:8, Isaiah 54:10, Psalm 38:4, 1 Peter 2:24

## Discussion Questions

- What are some foundations people your age build their lives on? Why don't they last?
- Why does it matter that God's love doesn't change, even when we mess up?
- The Bible describes sin as a heavy weight. Why do you think the Bible would describe sin this way?
- How did God deal with our sin out of His great love for us?

**Now what:**

What would change in your life if you chose to build it on God's love?
