

Small Group Discussion

The Week of: March 11, 2026

What's your life like:

What's one funny bad habit you have? (Examples: hitting snooze a bunch of times, cracking knuckles, checking your phone too much, etc.)

What are we talking about this week:

Main Point of Message

- This week we started a new series called "Holy Habits." Habits are powerful because the things we do consistently eventually become automatic. The big idea tonight is that God created you on purpose with unique gifts and for a purpose – to use those gifts to serve others and bring glory to Him.

Bible Verses

- 1 Peter 4:10-11
