

Small Group Discussion

The Week of: April 22, 2026

What's your life like:

- Would you rather have 100 dollars today or 1000 dollars in 6 months?
- What's something you are waiting for in your life?

What are we talking about this week:

Main Point of Message

- When you're waiting, God is working and He is with you.

Bible Verses

- Proverbs 16:9, Proverbs 3:5-6, 1 John 5:14

Discussion Questions

1. Have you ever thought about the truth that when we are waiting, God is working? What does that mean and how could it change how we think about times of waiting?
2. Read Proverbs 16:9. How can this verse encourage us when we are waiting for something?
3. There are two different kinds of things we wait for. There's the stuff we want right now, and the deeper things we carry around for a long time. What's the difference between those two? Is it harder to be patient with one more than the other?
4. Read Proverbs 3:5-6. Our own understanding will tell us things like 'nobody is listening' or 'God doesn't care.' Have you ever had thoughts like that during a hard time? What do you think it means to trust God when you're waiting for something?
5. Read 1 John 5:14. God hears us when we pray, but praying doesn't always mean you get exactly what you asked for. Does that make prayer feel pointless or does it actually matter that God is listening, even if the answer isn't what you wanted? Why?

Now what:

Is there something in your life right now that you've been waiting on, hoping for, or carrying around? Talk to God about it this week. What could it look like to bring that to Him over this next week?
