

The Week of:

Feb. 21, 2024

What's your life like:

What's something you've done recently that you are really proud of?

What are we talking about this week:

Main Point of Message:

- This week we are finishing our series called "Relationship remix" by learning about Eros- the Greek word for romantic and sexual love and what the Bible has to say about it.

Bible Verses

- Ephesians 5:31-32, 1 Corinthians 6:18-20

Discussion Questions

1. What's the number one thing that stood out to you from tonight's message?
2. Do you remember your first crush? Why do you think God created us with a desire for Eros love?
3. How have you seen people make Eros an idol?
4. What problems do people face when they put human love before the love of God?
5. How have you seen out of control Eros in the world around you?
6. What are some of the possible consequences for letting Eros get out of control?

Now what:

- Take some time this week and reflect on if you have been making either of these errors with Eros. Then remember that God is gracious. He is forgiving. He can give you a fresh start. He can restore a healthy relationship with Eros in your life.
