

The Week of:

March 6, 2024

## What's your life like:

What's one thing you are really grateful for this week?

## What are we talking about this week:

### Main Point of Message:

- We are continuing our series called "Techwise" that's all about how to handle technology with Godly wisdom.

### Bible Verses

- Matthew 6:22-23, Luke 24:5-6, 2 Peter 3:18

### Discussion Questions

1. What's one thing you learned that you didn't know before tonight's message?
2. How have you noticed what you are watching or listening affecting you?
3. How much are you looking at your phone or screens? Share stats from your screen time app or estimate.
4. What's one way to limit your looking that you are going to start this week?
5. Have you ever felt a sense of emptiness after looking at a screen for a long time?
6. What's one way you can use technology to grow in your faith or learn?

## Now what:

- Tell someone one way you want to limit your looking and one way you want to start growing or learning and invite them to hold you accountable.
