Discussion Questions

1. Have you ever heard something that was good news for some people but not for you? How did that make you feel?
2. Can you relate at all to Mary and Joseph having to deal with a bad reputation? What do you think God wants you to know if you feel like people think badly of you?
3. How do you view people our society treats as outsiders? How can you grow in compassion for all people?
4. Can you think of anyone who seems to far off to come to God? Are they really?
5. How will what you learned in this message change the way you see the classic nativity scene this Christmas?

Now what:

- What's one way you can live out the truth that the good news of Jesus is for everyone this week?
